U.N. Told Jews Planning Drive On Jerusalem

LAKE SUCCESS, N.Y. (CP)—
The United Nations' Palestine
truce commission reported today
the Jews are planning an all-out
attack on Jerusalem.

The report of the Commission
—made up of the Jerusalem
consuls of the United States, France
and Belgium — reached the
Security Council as it neared a
vote on a United States plan for
a new Palestine cease-fire.

The commission urged the
council to act "immediately and
vigorously" to stop what it called
a threat to the international
character of Jerusalem.

The cable said the Jews have
"made up their minds to seize
the rest of the town before the
truce period comes into force
(24 hours after the council acts)
in order to appear at peace
negotiations with a major trump
card in hand."

10 Believed Killed In B-29 Crash

SALINA, Kas. (AP)—An army
B-29 was reported to have
crashed near here today and 10
members of the crew were be-
lieved to have been killed.

Facsimile Broadcasts By Miami Newspaper

MIAMI, Fla. (AP)—The Miami
Herald began multiplex fac-
simile broadcasting today, send-
ing regular radio programs and
facsimile news and pictures
simultaneously.

The Herald and its radio sta-
tion, WQAM-FM, launched the
new development, first of its kind
in newspaper history, under
authority of the Federal Com-
munications Commission.

The WQAM-FM transmitter
broadcast American Broad-
casting Company programs and the
Herald's facsimile editions at the
same time.

The Herald and WQAM-FM
will transmit five daily editions
totaling 20 pages of facsimile
news and pictures. The multi-
plex development makes it pos-
sible to expand to 12 editions and
48 pages.

3 Rates Fixed For B.C. Citizens, Pearson Reports

VANCOUVER (CP)—
Health and Welfare Minister
George S. Pearson today an-
nounced that British Colum-
bians would pay the follow-
ing premiums for British Col-
umbia's compulsory hospital
insurance scheme:

Single, self-supporting per-
sons, \$15 per year; heads of
families with one dependent,
\$24; heads of families with
more than one dependent, \$30.

Mr. Pearson said the plan
makes a good start toward
providing health services for
everyone, regardless of cir-
cumstances.

The scheme comes into effect
next January and offers benefits
not included in other such plans,
he said.

The plan waives the customary
waiting period for maternity
cases, and also provides care for
illness existing before the plan
comes into effect.

Coverage of dependents is the
outstanding feature, Mr. Pearson
said. This includes, besides wife
and children, other relations
financially dependent on the head
of the family, regardless of
whether they live under the same
roof.

Compulsory registration for the
insurance starts in August, and
premium collections in October.

Woman Criticized Pope; To Face Court

ROME (Reuters)—Legal pro-
ceedings have been taken
against Laura Diaz, Communist
woman deputy who in a recent
speech at Ortona accused Pope
Pius of having "hands dripping
with blood."

The proceedings have been in-
stituted by the civic committee
of Ortona.

Miss Diaz, who because of her
good looks is known as "the
Joan Crawford of the Italian
Chamber of Deputies," told the
Italian press: "All I said about
the Pope was that he had not
fulfilled the wishes of the Italian
people or of the peoples through-
out the world who want peace."

2,000 G.M. Workers Laid Off By Strike

OSHAWA, Ont. (CP)—Some
2,000 employees of General Mo-
tors of Canada Ltd. were laid off
today as a result of a strike at
McKinnon Industries, a sub-
sidiary at St. Catharines, Ont.,
of General Motors of Canada.

If the St. Catharines strike con-
tinues, officials said, "practically
all" employees will be laid off.

Princess Strains Neck

LONDON (Reuters)—Princess
Margaret strained her neck while
going about her normal morning
routine at Buckingham Palace
today. The princess, who will be
18 in August, was unable to keep
an engagement to attend a handi-
craft exhibition. The Palace re-
fused to give any details of her
accident.

Courtroom Drama

Relatives of William Ruthes Ray weep hysterically in a Corsicana, Texas, courtroom. They had just heard a jury declare Ray guilty of an attack on a nine-year-old Fort Worth girl. The offence carries a death penalty in the Lone Star State. Left to right, Mr. and Mrs. Ed Ray, parents of the condemned man; Mrs. Mary Ray (head bowed), his wife; Jack Claybrook, his stepbrother, and Mrs. Edward Sloan, sister of Ray.

Zale Agrees To Meet Europe Titleholder

NEW YORK (AP)—Middle-
weight champion Tony Zale
agreed today to defend his title
against Marcel Cerdan of France,
the European titleholder, "some-
time in September." Promoter
Andy Niederreiter of the tourna-
ment of Champions, Inc. said
the exact date and site will be
announced later. Brooklyn, Jer-
sey City and Chicago are the
possibilities.

Many Officials Oppose Railway Freight Boost

The proposed increase by 15
per cent of freight rates to offset
higher wages granted rail
workers today brought com-
ments from three western pre-
miers and other officials.

The suggestion that the rates
should be increased was made
by N. R. Crump, C.P.R. vice-
president.

Premier Byron Johnson of Bri-
tish Columbia expressed fear
that a further boost would in-
crease the inequalities already
existing in the freight rates so
far as B.C. is concerned. He said
"the government has reached the
point where it must insist that
the differential application be
dealt with before any further re-
adjustment is made in the gen-
eral freight rates structure."

Mr. Johnson was referring to B.C.'s
application to the Board of Trans-
port Commissioners to have the
mountain differential removed.

City Man Injured By Ross Carrier

George Giles, 590 Boleksine
Road, was taken to Royal Jubile-
e Hospital this afternoon with a
possible fracture of his right leg
following an accident with a
Ross carrier at James Bay
Lumber Co.

City police report that Mr.
Giles was apparently caught and
his right leg pinned against a
wall by a piece of lumber pro-
jecting from a moving Ross
carrier.

Arrest Protested

BUCHAREST (AP)—The Ro-
manian government said today it
had protested against the arrest
in Switzerland of Solvan Vitianu,
newly-appointed Romanian com-
mercial attaché at Bern, and his
wife.

(A Bern dispatch quoted the
Swiss attorney-general's depart-
ment as saying the couple had
been arrested Tuesday on charges
of furnishing forbidden economic
information to the Romanian gov-
ernment.)

Walter McElroy Defeats Kesselring, Enters Semifinals

HAMILTON GOLF CLUB, AN-
CASTER, Ont. (CP)—Walter Mc-
Elroy of Vancouver advanced to
the semifinal of the Canadian
amateur golf championship to-
day, defeating Gerry Kesselring
of Kitchener two up in a fifth-
round match.

Two years ago Kesselring de-
feated McElroy by one stroke for
the Canadian junior champion-
ship—a 36-hole medal-play con-
test.

The two youngsters were fol-
lowed by Jim Boeckh of Toronto
and Joe Stoddard of Hamilton.
After them went Gil Walker of
London and defending champion
Frank Stranahan. Walker and
Stranahan also clashed in the
fifth round of the 1947 champion-
ship and the Toledo, O., amateur
won, 4 and 3. Tom Riddell, Que-
bec amateur champion, and Larry
Dana of Bradford, Pa., were the
last fifth-round starters.

McElroy took the lead on Kes-
selring right from the start,
holing out with a birdie three.

McElroy rounded the nine-hole
turn with a three-up advantage
over Kesselring. They squared
the ninth when Kesselring's long
put hung on the edge of the cup,
costing him a birdie three.

McElroy won four of the first
nine holes. He got the eighth
when Kesselring's putt knocked
McElroy's ball into the cup. The
Vancouver lad was in trouble
only on the fourth hole, which
was won by Kesselring.

Kesselring's iron shots were
below par and he was falling
short of the green.

McElroy was good on the
greens. He sank a 15-foot putt
to win the first hole. He halved
the third by sinking an eight-
foot putt. On the fourth his 40-foot
putt hung on the edge of the cup.

Wacky Vehicle Craze Rolls On

It's a bus, all right, but hardly the thing to catch to go
downtown. Ernest Johnstone of Brighton, Eng., drives his
creation, the eighth model bus he has built. The
vehicle, two feet high and eight feet long, utilizes a
motorcycle engine that can hit up to 26 miles an hour
and do 100 miles on a gallon of gas.

Truman Nominated; To Call Special Congress Session

President Truman... "Senator Barkley and I will win and make the Republicans like it," he told cheering Democrats Wednesday night.

PHILADELPHIA (CP)—President Truman early today received the nomination as Democratic candidate for President of the United States and at once struck his first campaign blow.

He recalled Congress to special session July 26 and challenged the Republicans who control it to enact the major planks in the platform adopted by the Republican Party at its national convention here three weeks ago.

His recall of Congress and the challenge produced a tremendous ovation from the vast throng which crowded Convention Hall through almost 12 sweaty and hectic hours.

ON FIRST BALLOT

Truman was nominated with 947½ votes on the first ballot after the whole Mississippi delegation and half the Alabama delegation had walked out in protest against his civil rights program. Truman needed 618 votes to win on the first ballot. Senator Alben Barkley of Kentucky, 70-year-old Congress veteran, was unanimously named as Vice-Presidential candidate.

Truman and Barkley and their families appeared together on the rostrum at 2 a.m., E.D.T., to accept the nomination.

"I accept the nomination," Truman said, "and I want to tell you that Senator Barkley and I will win the next election and make the Republicans like it. Don't you forget that."

"There have been differences of opinion and that is the democratic way," he said. "These differences have been settled by majority decision and now we'll get together."

In the last ditch fight of the southern rebel Senator Richard Russell of Georgia was put in nomination and he polled 263 votes on the first ballot.

Truman referred to two major planks—control of excessive prices, and housing—which were in the Republican platform and which the party had failed to deal with although in control of Congress since January, 1947.

It was the duty of the President to do all in his power to see that needed legislation was passed, "therefore I am calling this Congress back into session as of July 26." Congress had adjourned for the year June 20.

Earlier Wednesday the rebellious southern states, which for generations have fought proposals to ensure equal treatment

ADDING TO INFLATION

CANADIANS FROM COAST TO COAST
breathed a sigh of relief at noon yesterday when they learned of the settlement of the dispute between the railway companies and the various unions which represent the workers on the Dominion's transcontinental systems and subsidiary lines. It is not too much to say that if the strike threat had materialized, even if the principal common carriers had remained idle for only a few days, the national economy would have suffered a blow from which it would not have recovered for several months. And it is highly probable that conditions such as a work stoppage would have produced soon would have involved opportunist action on the part of manipulators of organized labor who detect in any form of industrial unrest a golden opportunity for the furtherance of objectives inimical to the public welfare.

Let it be understood that this is far from a blanket castigation of those thousands of union members whose desire and intention it is scrupulously to balance an appropriate regard for the national interest with a natural inclination to preserve their own hard-won privileges. Nor should it be forgotten that even a few cents an hour extra wages for 150,000 workers will add many millions of dollars to the operating costs of the railways. By this token, incidentally, this latest concession to the unions—an increase of 17c an hour, retroactive to last March 1—has automatically produced a complementary demand from one of the companies involved. Hence the railway workers themselves, on the other hand, should not be surprised if the wage increase they obtained at the conclusion of their prolonged deliberations yesterday is not very largely offset by still another substantial expansion of the inflationary spiral.

Furthermore, although it is not directly involved in the controversy now at an end, the Canadian public as a whole will soon begin to note the effect of still another bite at its dollar. It is not our intention to dogmatize on or to predict what can or should be done to curtail substantially or put an end to a dangerous state of mind in the industrial realm of this country. But if existing somewhat explosive conditions are allowed to persist, we may be confronted in the fairly near future with a reckoning which is not pleasant to contemplate. In other words, the time has arrived for Canadians in all walks of life, whether organized in labor unions or not, to take stock of the major implications of the present trend.

THE GLOVES ARE OFF

ALTHOUGH THE INCIPIENT REVOLT
within the Democratic Party's ranks against him looked ominous at one time for Mr. Truman's nomination, it became obvious that when General Eisenhower definitely removed himself from among the possible contenders the main business at Philadelphia would be more or less a formality. That the delegates required so much time to reach that part of the gathering's agenda in which the United States in particular and the world in general were interested was neither surprising nor important. National political conventions in the neighboring republic being what they are—and there seems little or no indication of a desire to change the modus operandi—the assembled multitude let the deliberations which ended in the small hours of this morning take a normal course. But it requires little or no imagination to appreciate what the President suffered as he waited in the antechamber of the convention hall from 7 o'clock last evening until 2 a.m. today.

It would be safe to say that Mr. Truman is under no delusion as to the campaign difficulties which confront him. The defection of certain important elements in his own party, particularly the attitude of several of the southern states which may or may not crystallize in open hostility as the battle of the hustings develops, is not calculated to supply much practical inspiration. But it also can be said that the man upon whom tragedy wished the presidency more than three years ago is nothing if not impervious to threats of any kind. From the moment he entered the White House on the morrow of Mr. Roosevelt's untimely end he tackled one of the biggest jobs in the world as if he meant to beat it. And the marvel is that, under all the circumstances, his mistakes have been so few and relatively harmless in the purely domestic sense.

What the President expects his recall of the Congress to produce that may suit his special purpose in the forthcoming campaign will not be clear until the lawmakers on Capitol Hill square away for what necessarily will be a brief legislative session. Mr. Truman made it clear last night, however, that one of his objectives is to test the Republican majority in both Houses and discover whether his opponents have the courage to implement the promises made at their convention in Philadelphia last month. The President lists failure of the majority party to control excessive prices

and to deal effectively with the serious housing problem—as promised before the 1946 Congressional elections—as adequate reason for reconvening the 80th Congress, since he regards the passage of needed legislation sufficient justification for his action. Whether the Republicans will meet the challenge is another matter. Their course nevertheless could have a definite effect on the outcome next Nov. 2.

QUESTION OF RIGHTS

THE SOLID OPPOSITION OF THE
southern Democrats to the party policy planks involving racial rights is not a very happy commentary on this aspect of the western way of life, and, without further explanation, must have made perplexing reading for those Europeans who have been looking to this continent for renewed encouragement of democratic ideals. Let it be said at the outset that the matter of drawing up political platforms for their domestic elections is a matter to be left entirely to the American people—they do not ask for, or require, outside advice. Nevertheless, for a large portion of the Democratic Party to have turned down a proposal advocating a federal guarantee of personal safety from lynching, equal opportunity in employment, full and free political participation, and equal treatment in the armed forces, for all races, is not a happy augury of progress.

The only opposition to such laudable objectives, of course, came from the southern states, which are traditionally Democratic and wield heavy influence in party affairs. Their rejection was based on the argument that such matters fall within the jurisdiction of the states, and their enactment on a federal basis would constitute an infringement of states rights. Such an argument is an admissible one; we have had similar conflict of opinion in Canada as regards Dominion and provincial competence. But it carries with it the inference that, the federal government having been repulsed, the states, using their own powers, would themselves ensure the guarantee of these racial rights. Such an inference cannot be justified on the basis of past history. The social and political position of the negro in the United States still leaves much room for improvement, particularly in those states which are most vociferous in denying the federal government the power to act.

We repeat: this is an American problem, although in essence it is not unknown much nearer home. We are confident that, our neighbor will solve it satisfactorily in the course of time, but it would be well to reflect in the meantime on the effect that such opposition will produce in those nations which now are looking westward for leadership, or for opportunities to discredit democracy.

OPERATION INFILTRATION

MR. ERNEST DALSKOG, district president of the International Woodworkers of America, graciously informed the people of British Columbia that a strike vote of his organization will shortly be taken in the coast region of this province. He added that he expected negotiations in the interior and northern areas to be resumed in a few days, that Attorney-General Wismer had been notified of the decision, and that union membership was being asked for more authority "to declare a strike if necessary, and at a suitable time."

All this is very kind of Mr. Dalskog. It is nice to know that Mr. Dalskog desires the first law officer of the Crown to let him know when he can throw another monkey wrench into the economy of this great province of British Columbia, so that Mr. Dalskog can decide when and if a strike is necessary. (Mr. Wismer has since given his reply—which reminds the I.W.A. official of illegal procedure.)

Since when has Mr. Dalskog discovered the right for him and his kind to set themselves up as the final arbiters of the fate of thousands of families in this part of our free Dominion of Canada? And who is Mr. Dalskog anyway? Surely it is time for the liberty-loving people of this province to do a little serious heart-searching. Are we and our affairs to be run by the Dalskogs and their ilk? Surely not.

LET'S LOOK HIM OVER

A VANCOUVER CONTEMPORARY HAS
drawn attention to the speed with which Canadian Communists, who wear no better under the euphemistic name of Labor-Progressives, have jumped through the Kremlin hoop in repudiating erstwhile Red Hero Tito. This, of course, is not unusual. When Moscow says the word, the fellow-travelers, as well as accredited members, fall in line.

The "heave-ho" given Tito, however, poses one danger. It is possible that the former Mr. Josip Broz could be catapulted right into the lap of the western democracies—a lap on which he sat for a time during one phase of the recent war. But while he no longer appears to be a suitable "Charlie McCarthy" for Uncle Joe's "Bergen," we doubt whether he is entitled to be sitting pretty with the western nations. Before he is clasped to any democratic bosoms, or welcomed to the family of free nations, he should be afforded the opportunity to prove beyond doubt that his intentions are honorable. The impressions he left after enjoying western hospitality on another occasion do not give him a complete and ready welcome for another recuperative sojourn.

Fiction, like romance, is for the young. When you think magazines no longer print good stories, your taste has aged.

Spotlight On Tito

By PETER EDSON from Washington

IT IS VERY EASY to be led astray by wishful thinking over this mix-up between the Russian Communists and dictator Tito of Yugoslavia. It would be nice if Tito would really defy the Commie hierarchy and set up a Balkan bloc to balk Russian expansion. But American experts say that is far from being in the book.

Those who have had time to analyze carefully such information on the split as has come out of Moscow, Prague, Warsaw and Belgrade find a number of points which must be kept clearly in mind.

FIRST, THIS IS NO open personal row between Stalin or Molotov and Tito. Neither of these two top Russians has made any official statement on the case, though they may be behind it.

Second, this is no row between the government of the U.S.S.R. and the government of Yugoslavia. Diplomatic relations have not been broken. On the contrary, within the past weeks, Yugoslav foreign minister Stanoje Simitch was in Warsaw at a conference called by Molotov to work out plans for opposing Allied unification of western Germany.

WHERE THE TROUBLE LIES is entirely within the world Communist movement. The blast against Tito was issued by the Cominform—the Communist Information Bureau set up in Belgrade last October. Communist parties from nine countries took part—France and Italy included. Their purpose was to fight the so-called "U.S. expansion and aggression in military, strategic, economic and ideological spheres." Real target was the Marshall Plan.

American observers have been unable to find that Tito has backslid on this. In September, 1947, Yugoslavia signed a four-year, \$100,000,000 trade agreement with British and U.S. zones in Germany, but this has been a barter deal of mutual advantage.

SETTLEMENT OF YUGOSLAV claims for release of \$60,000,000 in gold and blocked funds in the U.S., as against some \$40,000,000 American claims for lend-lease, shooting down of planes, killing of U.S. citizens and confiscation of American property in Yugoslavia represents merely the end of two years of painful negotiations. It is not to be taken as any concession to capitalism by Tito.

Tito has had difficulties in carrying out his five-year, \$5,000,000,000 reconstruction plan. Russian promises to help have not been carried out in full and he has had to look elsewhere. Last January, for instance, Yugoslavia asked the World Bank for a \$500,000,000 loan. It was not granted, but the mere application would no doubt be considered heresy by the Russians, who are not bank members.

IN 1945 YUGOSLAVIA and the U.S.S.R. signed a 20-year treaty of friendship which has not been breached. Next year Yugoslavia signed another agreement to let the Russians rebuild Yugoslav war industries and re-equip her army. In 1947 there was a barter treaty. Texts of none of these treaties has been made public, so it is impossible to know how they have been carried out.

One of the first Cominform charges against Tito is that his government showed "an undignified policy of underestimating Soviet military specialists." . . . Soviet specialists were put under guard.

Other complaints are political and economic. Normally Yugoslavia produces enough food for its own use and a surplus for export. Last year Tito "loaned" 30,000 tons of wheat to Rumania and Hungary, then asked the U.S. for relief. The U.S. replied that Yugoslavia didn't need wheat, but did send 50,000 tons of surplus potatoes.

IF YUGOSLAVIA is long on food this year, its peasants must be producing. One of the Cominform charges is that these peasants are not properly communized, but are allowed to own land, hire labor, sell crops. This is about as specific as any of the charges get to prove that Tito is leaning toward the west.

Most of the complaint against Tito is international Communist politics which only a highly skilled mechanic on Cominform ideological machinery can understand. But when taken apart, it shows little real evidence that Tito has reformed in any way. As his own reply to charges indicates, his principal aim is to establish a completely socialized regime in Yugoslavia, not a democracy.

Quoting

Only the Communists bar world peace, and I oppose another major east-west conference at present.—Ernest Bevin, British Foreign Secretary.

This United Nations will be the force in this world which it was expected to be when the Charter was signed at San Francisco.—Trygve Lie, U.N. Secretary General.

This game of seeing how far you can go in irritating other people and still not goad them to more than verbal protest is a dangerous game.—Mrs. Eleanor Roosevelt.

How the ministers can deride the system of free enterprise and capitalism which makes America great and wealthy and then at the same time eagerly seek the aid which has hitherto been so generously granted from across the Atlantic—that is a grimace which baffles the limitations of language to explain.—Winston Churchill.

Sort Of Took The Spring Out Of The Springboard

The New Head Of Rotary

By E. G. HICKS in The Rotarian

SOME nine years ago a writer in The Pinion, a Rotary magazine then published in Australia, concluded a reference to Angus S. Mitchell with the question: Is there anywhere a more worthy exemplar of Rotary than Angus Mitchell? It was our revered Paul Harris himself who in the next issue of The Rotarian, repeated the question and wrote: "The answer is 'No.'"

ENDORSEMENT

Throughout Australia and New Zealand today that verdict finds complete endorsement, and there is the greatest satisfaction in the knowledge that one who has devoted so much of his life to Rotary is to occupy the office of President of Rotary International for the year 1948-49. Angus attains his majority in

Rotary this year. He became a member of the Melbourne Club in 1927. His ancestors in the ancient days of Scottish history passed from hand to hand, in times of stress and peril, the fiery cross. Inmate in Angus is the same spirit of service, the same desire to pass into hands other than his own the spirit and the practical application of Rotary.

Born in Shanghai in 1884, of Scottish parents, he came to Australia at the age of one year. Growing up, he completed his academic education at Scotch College, Melbourne. From his first business training with the firm of F. W. Prell Company he graduated into the wheat business.

Angus retired from active business in 1936, and that was a good thing for this great city of Melbourne. Shedding a section of his material interests, he could place the bulge of his efforts on the spiritual and ethical side—the essential and real side of all humanity.

HIGH OFFICE

And this is the man—tall, kindly of face, silvery with the years, all golden within—who to the honor of Australia, New Zealand is being preferred to the high office of President of Rotary International. His year of office will, we feel sure, leave nothing but pride and gratification and an assurance to all within the global bounds of Rotary that his election has been justified by the fruits of his official year.

Political Children

By JAMES THRASHER from New York

THE NEW YORK visit of Governor and Mrs. Earl Warren and their three pretty daughters prompts us to consider the important and underestimated role of candidates' children in American politics.

When a man is a mere dark horse or favorite son or even a front-running contender his domestic set-up is of passing interest. He has to stand pretty much on his public record and statements. But once he is chosen to run for either of the country's two top offices, his children, if any, become public property.

HUMAN, TOO

Thanks to these offspring—and the co-operation of photographers and editors—the candidate suddenly becomes a human being as well as a politician. Millions of voters who are also parents discover that the candidate is a "family man." This is not a unique accomplishment or, in itself, a badge of virtue.

But we wouldn't be surprised if, in past elections, a covey of young hasn't tipped a few votes of sentimental parents in favor of the candidate-father.

The wise candidate, we believe, should try to have some fairly young and, if possible, pretty children at the time he's making his big pitch for high office. Theodore Roosevelt's six and Franklin D. Roosevelt's five didn't hurt their chances a bit. We even knew some bitter opponents of the second Roosevelt who would grow momentarily tender and forgiving at the sight of the president reading Dickens to the assembled family at Christmastime.

ASSETS

So Governor Warren's six children, along with Governor Dewey's two, may be put down as assets to the Republican ticket. The candidate for vice-president wisely took only the girls on tour, so as to complement rather than overwhelm his running mate's accomplishments as a

parent. We assume that Mr. Warren is saving the three boys as a sort of first team to throw into the campaign later on when the going gets really hot.

Sometimes this political publicity is as helpful to the children as it is to their father. One of Woodrow Wilson's daughters was launched on a brief singing career during her father's tenure of office. And we would guess that Mr. Truman's residence in the White House has helped Margaret about as much as her voice has.

On the other hand, candidates' children may get an early and disillusioning taste of the fickleness of public interest. The recent news that Mr. Roosevelt's granddaughter, Miss Anna Eleanor Boettiger, was getting married recalled that she was the "sistie" of "sistie" and "Buzzie," now almost forgotten, but, in the early New Deal days, probably the most famous brother-and-sister act since Fred and Adele Astaire.

High Art In Oslo

Norway Digest

A GRANDIOSE art project which began in 1938 and has progressed quietly throughout the war years is now nearing completion in Oslo, the Norwegian capital. There, in the 17th century Cathedral of Our Saviour, Norwegian artist Hugo Louis Mohr recently permitted the press to view for the first time his ceiling paintings which have been described as the greatest artistic achievement in the history of Oslo. The paintings cover nearly 1,600 square yards of the cathedral's huge vaulted ceiling. From a central figure represent-

ing the sun rays or beams radiate to the four arches of the Cathedral, uniting a galaxy of paintings on Biblical themes. The paintings are but a part of the overall project to restore and refurbish the cathedral interior by 1950, when Oslo will celebrate its 900th anniversary. At that time the decorated ceiling will be unveiled to the public.

GREATEST SINCE RENAISSANCE

Some \$80,000 of the cost of the Mohr paintings is being contributed by the Oslo Savings Bank, which has subscribed an additional \$32,000 toward the general restoration project. Architect Arnstein Arneberg who is directing the program, maintains that the paintings are absolutely the greatest to appear in the North since the Renaissance.

Art-conscious Oslo is also looking forward to the completion of the new City Hall in time for the 1950 celebrations. At present, a cornucopia of artists and sculptors are completing the building's interior at a cost of over

\$1,200,000. In yet another part of the capital, a vast artistic project—the Vigeland Sculpture Park—is nearing completion after nearly 20 years of work. On this impressive outdoor display, the largest of its kind in the world, the municipality of Oslo has already expended over \$4,000,000. Residents of the capital have good reason to feel that few cities of equal size (400,000 pop.) are spending more on patronage of the arts for public purposes.

Source Of Strength

Col. W. Elliot in the BBC London Letter

I consider that tradition is a great strand of strength in this country and I believe in many other countries too. I think a country deserves its tradition with great pride to itself. Its tradition is really the sum of the experiences of its members in the past and to some extent therefore a forecast of their possible lines of development in the future.

Global Survey

By DeWITT MACKENZIE

Associated Press News Analyst

THE WHOLE of Europe is rocking from the impact of the attempted assassination of Palmiro Togliatti, fiery Italian Communist leader who is widely credited with being Moscow's ablest foreign operator.

Even as Togliatti was being operated on for removal of the bullets which gravely wounded him, wildcat strikes began to spread throughout the peninsula at Red instigation. The Communist press howled for the resignation of Catholic Premier de Gasperi. The premier himself condemned the assault.

The potentialities of this sensational development are so great that no one can foresee the end. This much is clear:

MOSCOW'S ADVANTAGE

On the face of it any immediate repercussions must be to the advantage of Moscow. Even if Togliatti recovers, he has been made a martyr and a mighty flame has swept the Communist world and its sympathizers.

Whether Russia gains or loses in the long run depends heavily on whether she overplays her hand.

We have seen that the Communist leadership's first move was to start a wave of strikes sweeping through Italy. There you have the makings of a possible revolution, should Red passions be allowed to run that far by Moscow.

The Bolsheviks are extraordinarily good organizers, and they are opportunists. I think we are safe in assuming that they will exploit this shooting as far as they dare. However, Russia definitely doesn't want another major war on her hands at this juncture and her activities will be governed by that fundamental fact.

OPPORTUNE MOMENT

The danger is that the Muscovites might start something they couldn't stop. Suppose, for example, the Communist high command should debate whether this would be an opportune moment to try to start a revolution in Italy and establish a Soviet government. The first thing Moscow would have to ask itself would be: "Could we control such an upheaval or would it be likely to spread and cause another general conflagration?"

The answer to that certainly must be that the gamble would be a terrific risk. On that delicate basis the Reds must decide.

UNAVOIDABLE

Edmonton Journal
It is a remarkable tribute to the faith of the Manitoba Menonites that they are willing to leave the comfortable homes they have built up in Canada and face dangers and hardships in a new land. Yet it is questionable if they will achieve their hope of getting away from the world. Modern industrial civilization is spreading relentlessly over the globe, and it cannot be long avoided, even in Paraguay.

NATURAL RIVALRY

Toronto Globe and Mail
Under summer skies, the frantic struggles of selfish men seem hateful and unworthy. The peace and serenity of nature rebukes the rivalries of faction and party. Greed is an affront to the fruitful generosity of the land. Haste seems petty in the slow unfolding of creative purpose. Life was meant to stay close to the earth, responding to its rhythm and flow. The price men pay when they forget this is rendered in the sad coin of misery, disappointment and spiritual defeat.

Letter To The Editor

SHOULD HAVE STOPPED

Tuesday night, July 13, our dog was run over by a hit-and-run driver on Fernwood Road.

It was over an hour before we could get her to a veterinary, during which time she suffered terribly. She has little chance of recovering.

For the information and future guidance of the driver concerned, since he appears to be ignorant of the accepted procedure in such cases, I would like him to know that he is expected to stop and render what assistance he can—he can't undo the harm done, but he could have done the decent thing.

If any one took the license number of the car involved as it sped down Fernwood Road from Gladstone Avenue to Haultain Street, at about 10.15, I would appreciate it very much if he would get in touch with me at G4115 during the day or E6416 during the evening.

Police Hunting New Clues In Old Calgary Murder

CALGARY (CP) — A careless slip by the unknown slayer of Thomas Charles Hall may lead to the eventual solution of the 19-year-old murder and apprehension of the killer.

While police widened the scope of the investigations in search of new clues, officials said the body might have remained hidden for years if two floor joists had been replaced.

The body of the six-foot, heavily-built teamster was found hidden last Saturday under the bedroom floor of a five-room cottage in northwest Calgary. Examination of a weak spot in the bedroom floor by a new owner of the building led to the discovery. The floor had been weakened through removal of two sections of the floor joists to allow the body to be placed under the floor.

Fred E. Hall of Cadillac, Que., identified the body Wednesday as that of his father. He made the identification without hesitation although he last saw his father in Calgary about 1923. Eldest son of Mr. and Mrs. Hall, he left his father when his parents separated in 1923.

He was the third person to make the identification. Earlier Thomas Hall's brother, William, and a life-long friend had identified it as the body of the grey-haired teamster who kept chickens and did odd jobs while living at the cottage. Hall was 66 in March, 1929—the date police say they believe he was murdered.

FLIER RECOVERING

The dead man's youngest son, Flt.-Lt. John Hall, 34, now in hospital recovering from head injuries received while testing an R.C.A.F. plane last Monday, failed to identify the body last Sunday, saying only that facial features resembled his father's.

Police today are trying to locate people who lived in the vicinity of the ramshackle, shingle-sided cottage around 1929. They said a number were believed still residing in the city.

Police also said they "are definitely satisfied" that the body is that of Thomas Hall, missing for more than nine years.

It is believed Mrs. Camilla Rose Hall, who had been separated from her husband since 1923, won't be asked to identify the body. Mrs. Hall flew here voluntarily to be interviewed by police immediately she learned of the discovery of her husband's body. She now is working as a housekeeper for a Vancouver family.

An autopsy was expected to be performed today. Police said they hoped the autopsy would reveal the cause of two holes found in the head of the dead man. One is a jagged hole through the left temple, the other a small round hole in the back of the head.

Children's Carnival Opened In Esquimalt

Esquimalt Legion's children's carnival, which will run until Saturday night at Esquimalt and Admirals Roads, got off to a good start Wednesday with children from all parts of Greater Victoria in attendance.

Dart games and baseball throws attracted children to the midway and a number of mechanical rides, including a ferris wheel, were seen to be doing a good business.

To get the carnival started, Tim Brower, Vancouver manager, who is here operating the carnival, allowed children to have free rides.

The carnival will operate each day for the rest of the week from 2 in the afternoon until late at night. Proceeds from the affair will be used to remodel the interior of the Esquimalt Legion Hall, which adjoins the lot where the carnival is being held.

Dedicating Pavilion In Husband's Memory

The new James O. Cameron Memorial Pavilion, at Beacon Hill, will be dedicated by his widow, Mrs. Batrix Cameron, 1262 Rockland Avenue, at 3, Sunday afternoon, during the first band concert.

The \$11,000 pavilion was donated by Mrs. Cameron in memory of her husband.

To Stand Trial

KAMLOOPS (CP)—Harry F. Kissel, 64, Wednesday was committed to stand trial at the fall assizes for the axe-slaying of his invalid wife at their home here June 2. Mrs. Kissel, 20 years his senior, was found in bed, bludgeoned to death. Kissel was on a living-room couch, bleeding from deep neck wounds.

W. E. Poupore Named As Nanaimo Liberal Candidate For Ottawa

By Staff Reporter

DUNCAN—W. E. "Bill" Poupore of Sidney will carry the colors of the Liberal Party for the Nanaimo riding in the federal elections next year.

Mr. Poupore was the choice, by an overwhelming majority among three nominees at the nominating convention here Wednesday of the Nanaimo Federal Riding Liberal Association.

The other nominees were J. Len Hobbs, Saanich councillor, and A. C. Conrad, A. C. Royal real estate man and broker.

Of 187 delegates who voted, 144 cast ballots for Mr. Poupore, 36 for Mr. Hobbs and seven for Mr. Conrad.

Immediately the results of the ballot were announced, Mr. Hobbs moved that unanimous support be given Mr. Poupore, and his resolution was greeted with cheers from the delegates who jammed the United Church Hall on Ingram Street.

DELEGATES FROM ALL SECTIONS

Delegates came from all sections of the riding. There were 27 delegates and 28 proxies from Nanaimo and district; one delegate and two proxies from Ladysmith; eight delegates and one proxy from Duncan; 22 delegates and two proxies from Esquimalt; 46 delegates and 38 proxies from Saanich and eight delegates and five proxies from the Gulf Islands.

D. J. Proudfoot, president of the Victoria Liberal Association, who acted as elections officer at the request of C. Cummings, president of the Nanaimo association, who acted as convention chairman, reported 187 ballots were cast, and two were spoiled.

CAMPAIGN ON!

In his address of acceptance, Mr. Poupore, former Wing Commander in the R.C.A.F., who served as deputy sergeant-at-arms at the last two sessions of the Provincial Legislature, told the audience:

"The campaign is on right now!"

He said: "I'm out to show that Liberalism is the saving grace of the country, and no matter the crossroad, or the time, I am available to come and meet the people of the Nanaimo constituency."

"It is our duty to strengthen faith in Liberalism," he told his audience.

"Liberalism is more than a faith to me," he continued. "I believe in the dignity of man and

his sense of judgment in the Liberal party's cause."

Mr. Poupore said he was proud to be a supporter of Prime Minister King, who he believed would go down in history alongside Gladstone and Lincoln as a great humanitarian.

K. M. LEWIS PROPOSED

In placing Mr. Poupore's name before the convention as a nominee, K. M. Lewis of Cordova Bay pointed to the fact that he is a native son of British Columbia, a graduate of Toronto University in political science, and a non-practising member of the bar.

"He has the respect, support and confidence of all who know him," Mr. Lewis said.

"He showed his organizational ability and speaking ability as manager of the successful candidate in the recent Saanich by-election (Arthur Ash); he will be able to organize the whole of the constituency and will have all of the people behind him," Mr. Lewis said.

WYLLIE SECONDED

E. P. Wyllie, West Saanich, who seconded the nomination, told the delegates Mr. Poupore served his country in the air force and army for 10 years. He served in the R.A.F. and Princess Patricia Light Infantry in World War I and in the R.C.A.F. in World War II.

"He has done great work in the Liberal association besides, and is your only choice," said Mr. Wyllie.

Mr. Hobbs was proposed as riding candidate by Walter Jeune, school trustee for Saanich and active Victoria community worker. Seconder was Colin Moutat of Ganges, Salt Spring Island.

Stanley T. Morrow, president of the Esquimalt Liberal Association, proposed Mr. Conrad as nominee. Seconder was Bert Day.

Two resolutions were passed by the convention.

The first was that a committee be appointed to act with the Victoria Liberal Association and the Victoria Chamber of Commerce Harbor Committee to investigate the possibility of No. 2 Yard of Yarrow Shipbuilding Ltd., being maintained for docking of Empire boats from the Orient and Australasian boats.

The second was that everything possible be done to maintain operation of west coast shipyards.

Convention was addressed by Dr. J. Lorne MacDougall, B.C. Liberal Party organizer, and Mr. Proudfoot. The latter spoke on behalf of the Young Liberals' Association of Victoria.

Mr. Proudfoot urged delegates to form young Liberal organizations in their districts and offered the services of the Victoria group in their efforts.

"Organization of young people's groups will pay large dividends," he said. "This has been proved in Victoria."

He hoped at least five more young Liberals' groups would be established.

Mr. Moutat was chairman of the credentials committee and Mr. Morrow chairman of the resolutions committee.

Election scrutineers appointed by the chairman, Mr. Cummings, were Elmer Bradshaw of Nanaimo; I. Denroche, Gallano; J. G. Mitchell, Sidney, and T. T. Pullen, Esquimalt. W. J. Lynn, Saanich, was time-keeper.

The DOCTOR Says:

SURGERY AIDS HARELIP VICTIMS

By EDWIN P. JORDAN, M.D.

A split in the bone and in the soft tissues at the centre of the roof of the mouth is called a cleft palate. A few persons are born with this defect, but it is never acquired after birth.

Cleft palate results from a failure of the bone and soft tissues to grow together as they should before birth. It is almost always accompanied by a split upper lip, called harelip.

The exact cause of harelip or cleft palate is not known. Probably, however, it is a result of defective inheritance. Possibly, in some cases, it may be caused by some injury during the growth period of the unborn child. The recent studies on German measles in the mother during the first three months of pregnancy and the appearance of congenital defects of the infant may have some bearing on this.

The presence of a cleft palate or harelip at birth not only affects the appearance of the child, but also interferes with the production of voice sounds and

therefore, results in serious speech difficulties.

Treatment involves surgery. The first step is to decide what operation should be used, and at what age it should be started. All of the operations are somewhat alike, since they involve bringing the separated bones together.

AIDS SPEECH

A successful operation for cleft palate and harelip can greatly improve the speech as well as the appearance. A boy who has had a successful operation can often completely ignore the past difficulty, since he has the additional advantage of ultimately being able to grow a mustache to cover whatever slight scar might remain.

As it is unlikely that any preventive method will be found in the near future, it is a great comfort to know that many victims of this defect can be successfully treated by surgery.

Question—Is there any danger in having superfluous hair removed by the Roentgen Ray?

Answer—Yes, there is a danger in attempting to remove excessive hair by X-ray. Skin specialists say dosages of X-ray, which are enough to remove hair, can also damage the skin.

All supervised playgrounds in the city will stage pet parades at 2 Friday afternoon, it was announced today. Animals of all kinds will be accepted but they must be leashed or suitably caged, playground officials have ruled.

U.S. Commander Of 1914-18 War, Gen. John J. Pershing Dies

WASHINGTON (CP) — Gen. John J. (Blackjack) Pershing, who led American troops in the First World War, died early today in his 88th year.

Announcement of the general's death was made by President Truman through White House aides, after he had learned of it on his return from the Democratic National Convention at Philadelphia.

The aged former Chief of Staff had been ill since February, 1938, when he was stricken at Tucson, Ariz., by a form of rheumatism which affected his heart muscles.

IN HOSPITAL

Since then, he had lived at a military hospital here, in recent years staying in a wing built especially for him.

Death was caused by a blood clot which reached his lung.

At Pershing's bedside were his son, Warren, his sister, Miss May Pershing, and his long-time physician, Maj. Gen. Shelley Marietta. As General of the Armies, Pershing was the highest-ranking United States military man. Only one other man, George Washington, has held that title. Several other military leaders, including Gen. Eisenhower, have held the title of General of the Army.

All during the Second World War, Gen. Pershing received a full report twice a month from Gen. Marshall, his aide of 1917, now State Secretary. Pershing had warned as early as 1937 that the United States might be embroiled in a second European war.

Born Sept. 13, 1859, Pershing graduated from West Point Military Academy when he was 26.

His appointment as General of the Armies was confirmed by the Senate 33 years later. Between those two dates, Pershing served in such military engagements as the Apache campaign in New Mexico and Arizona in 1886, the Sioux campaign four years later, the Spanish-American War of 1898 and the Filipino insurrection in 1913.

WENT TO MEXICO

His appointment to the command of the American Expeditionary Force in 1917 was preceded the year before by command of United States forces sent into Mexico after the bandit chief Pancho Villa.

Gen. Pershing took personal command of the U.S. forces sent to France in the First World War, and immediately became involved in a hot dispute with other Allied commanders, who wanted to break up the American army and use it to reinforce the French and

Railway Operating Revenue Increases

OTTAWA (CP) — Canadian railways in April drew the largest operating revenues for any April in their history and nearly as much as in the all-time peak month of July, 1945.

This was reported Wednesday by the Bureau of Statistics in a

routine bulletin which coincided with the settlement of the railway wage dispute for general increases of 17 cents an hour.

Rail revenues in April totaled \$70,841,830, a 10.8 per cent increase over the \$63,913,505 earned in April last year and exceeded only by the July, 1945, total of \$70,913,046.

Revenues for the first four months of the calendar year totaled \$259,112,047, compared with \$239,611,891 in the similar period of 1947.

Inspection Marks End Of First Air Cadet Camp Here

Group Capt. Z. L. Leigh, O.B.E., E.D., Group Command of No. 12 Group Headquarters, Vancouver, will inspect air cadets and take the salute in the march past at the ceremonial drill Saturday morning at 10 at the air cadet

summer camp, R.C.A.F. Station, Patricia Bay.

An afternoon of sports will follow, in which cadets from all points in B.C. and Alberta will compete for awards and prizes.

Group Capt. Leigh will present the Maudie Squadron, from Alberta, with the Guthrie Shield, which is awarded the best squadron in B.C., Alta., Sask. and Man., for all-round proficiency. The four winning squadrons then compete for the Guthrie Trophy. This ceremonial drill and sports

day will conclude the first air cadet camp for the year. Two more will follow with intakes from all points in B.C. and Alberta on July 18 and Aug. 1, with nearly 1,000 air cadets receiving the benefit of the training offered.

CLAYTON, N.Y. (AP) — Three crew members of the oil tanker Plattburgh, returning to their ship in a small boat after shore leave, Wednesday lost their lives in the St. Lawrence River when the craft overturned.

GLOBEFISH PUFFS UP AND FLOATS FOR MILES

The fish of the ocean have many ways of saving themselves from their enemies. Some of them are fast swimmers. Others are armed with sharp teeth. Still others have tough scales which make it hard for other fish to eat them.

Certain fish, known as puffers or globefish, are of small size, ranging in length from three inches to three feet. Nature protects them in three ways.

A globefish has spines on the sides of its body. These take away from the pleasure which a larger fish might have in eating them.

The flesh of the globefish is poisonous. In some cases the poison is so strong that it will kill any enemy which eats the fish.

Most interesting of all, perhaps is the puffing up which the globefish does. In that way it makes itself too large for some kinds of fish to swallow it.

A globefish one foot long looks very much like a football when it swells up. Longer members of the family look still bigger in a swollen state.

The habit of swelling up has brought about other names, including "swellfish."

When it is all puffed up, the globefish floats at the surface of the water, with its back downward. In this way it may travel for miles on the ocean.

The spines on the body of a globefish stand out when it swells up. This makes it still harder for an enemy to swallow it.

It does happen, however, that globefish are swallowed by enemies, including sharks. Charles Darwin, the famous naturalist, made a note about one of them which got into the stomach of a shark and ate its way to the outside of the enemy! He declared that the shark died as a result of the biting which went on inside it. If that is a correct report, the shark must have swallowed the globefish with out chewing it. Darwin also wrote of finding living globefish inside the stomachs of other captured sharks.

One kind of globefish gives off a deep red dye when its abdomen is touched. This dye can be used as ink, also for staining ivory.

Miss Gwen Marler and Miss Lois Gockfield are visitors in Victoria, the guests of Miss Thea Hertzberg, at the home of her parents, Maj. Gen. H. F. H. Hertzberg and Mrs. Hertzberg, 454 Newport Avenue. Also a guest at the Hertzberg home is Sub-Lt. Michael Martin, who came to Victoria in H.M.C.S. Athabaskan and is now spending a few days here before returning to his home in Kingston, Ont.

It was to honor Miss Barbara Helen Ward, whose marriage takes place July 23, that Mrs. F. Buxton entertained at a personal shower Tuesday evening at her home, 912 Dunsmuir Road. Corsage bouquets were presented to Miss Ward and her mother, Mrs. C. Ward. Other guests were Mrs. M. Gillespy, Mrs. P. Buxton, Mrs. C. Mills, Mrs. B. Manco, Mrs. W. Ward, Mrs. T. Brown, Mrs. J. MacMillan and Mrs. L. Noble.

Mr. and Mrs. John Davies have returned to their home in Brandon, Man., after visiting Mrs. Davies' mother, Mrs. E. Moore, 2530 Blackwood Avenue.

Guests from Vancouver attending the marriage of Miss Sylvia Mary Grist to Mr. Frederick John Field, Thursday evening, included Mr. and Mrs. Arthur Field, Mr. and Mrs. V. Hilary, Mr. and Mrs. J. Paulin, Misses Alice Field, Violet Severson, Margaret McGeachie and Mr. Stephen Field.

Miss May Waugh, 2633 Shelbourne Street, entertained at a miscellaneous shower in honor of two brides-elect, Miss Jean McClure and Miss Dorothy Ewer. Identical corsage bouquets of pink carnations were presented to the honor guests, with the gifts concealed in a rose basket, by little Linda Olson. Musical selections were given by Miss Jean Downs and Miss Jean Parker. Guests included Mesdames C. W. Waring, J. Olson, A. Waugh, Misses Marcia Parker, Eileen Falconer and Marge Knapp.

In honor of Miss Nina Mutrie, whose marriage will take place this month, Mrs. Frank S. Bonnell, Fell Street, entertained with a miscellaneous shower last Monday evening. The bride-to-be was presented with a corsage bouquet of pink roses and carnations and the many gifts. A buffet supper was served from a table decorated in pink and white. Mrs. John Humphries and Mrs. F. Stamford presided. Invited guests were Misses Irene Bannerman, Agnes Stewart, May Warnock, Alma Hill, Lillian Smethurst, P. Clark, Helen Jeffrey, Adah Hunt, M. E. Livingstone, K. Jaffrey, Mesdames F. Stamford, M. Stewart, W. Blake, R. Armstrong, D. W. Morry, J. Humphries and H. J. Shepherd.

Mrs. Gordon Hallam and Mrs. W. Jollymore were co-hostesses at a miscellaneous shower at the latter's home on Wilson Street on Monday evening, honoring Miss Joanne Hallam, who left today for Rockcliffe, where she will become the bride of Mr. Craig Hall, Victoria. Corsage bouquets were presented to the guests of honor, Miss Hallam, Mrs. Maurine Hallam, mother of the bride-elect, and Mrs. W. Hall, mother of the groom-elect. During the evening guests made a "bride's book," which was presented to the honor guest. The supper table was decorated with a double-ring centrepiece, in pink and white, with tall pink taper candles in silver holders in the double-ring motif. Mrs. M. Mermood and Mrs. Rose presided at the urns. Other invited guests were: Mesdames M. Mermood, Rose J. MacNab, L. Wigley, S. Johnson, A. Hall, R. Hallam, J. Heard, Aylmer, Moore, F. Wilson, J. Wright, P. Pitt, Sibylla Hallam, Shirley Going, M. MacDonald and Dot Wepler.

Decorate Lounge — The St. Andrew's Church and the Pas-Pas group of the First United Church met at the home of Mrs. A. S. Christie, 700 Linden Ave., to make final arrangements for the decoration of the lounge in the Victoria Nursing Home, proceeds for which were realized at a successful garden party held at the Victoria Nursing Home in June.

With wedding receptions in the air, fruit punches are in the limelight. Apricot whole fruit nectar is delicious in combination with other juices. Nectar is thicker than a juice so gives the punch more body and richer flavor. Sliced zesty strawberries add a festive note.

A Lovely Bride Arrives At St. Luke's

The former Miss Margaret Lifton is pictured with her father, Mr. George W. Lifton, as she arrived at St. Luke's Church Wednesday at 11.30 to become the bride of Mr. Ian Stuart Kenning. The young couple, who are motoring up-Island on their honeymoon, will later travel to Montreal, where the groom will enter his final year in McGill's medical faculty.

Youth Band, Peasant Dances Featured At Colorful Fete

Scarlet and grey uniforms of members of the Greater Victoria Youth Band, and bright costumes of dancers from the Florence Clough Dance Academy added a colorful note at the garden fete given by Florence Nightingale Chapter, I.O.D.E., yesterday afternoon.

Held at the home of Mrs. K. A. McLeod at 2360 Oak Bay Avenue, the affair was opened by Mrs. Curtis Sampson, honorary regent, Provincial Chapter.

Mrs. W. R. Roskelley, regent of Florence Nightingale Chapter, who was in charge of arrangements for the fete, acted as hostess and welcomed guests. Red, white and blue costumes of four little dancers at the entrance gate carried out the patriotic color scheme of the I.O.D.E. On their hats were large letters of the order.

Russian and gypsy dances on the lawn beneath large oak trees highlighted the afternoon's entertainment.

Those taking part included Shirley Hebdon, Dorothy Slater, Sandra Shaw, Marie Allan, Frances Rigby, Judy MacCormac, Valerie Parkin, Johanne Alexander, Judy Mason, Barbara Williams, Beverley Carlow, Darlene Dovey, Marlene Beal, Jean Allan, Sharon Bowles and Tommy Alexander.

Solo dancers were Miss Ilce Roskelley, in the Saber Dance, and ballerina Lucy Tomczyk. Three acrobats, Betty Mae King, Shirley Pearson and Frances Merriman, also performed.

Later in the afternoon, tea was served in the house by Mrs. George Lillie and her assistants. Honor guests who presided at the urns were Mrs. J. L. Ford, Municipal regent, and Miss M. Irvine. They were assisted by Mrs. T. B. Lumsden, honorary regent of Florence Nightingale Chapter, and Mrs. E. Drummond.

Card and teacup readings were given by fortune teller Mrs. H. P. Collins, and games of bingo, conducted by Mrs. Harold Kerr and Mrs. Simpson, provided further entertainment.

Mid. H. L. Price, Montreal, with his charming partner, Miss Sally Pitfield of Cartierville, P.Q., pictured at a dinner party at Melody Lane prior to the graduation ball. Miss Pitfield is visiting her brother-in-law and sister, Lt.-Cmdr. and Mrs. Dudley Elcock, Royal Oak, V.I.

Commodore Wallace B. Creery, C.B.E., R.C.N., commanding officer, centre, with Mrs. Creery, right, was celebrating not only completion of an outstanding year but also a family reunion. His elder son, Lieut. Raymond Creery, R.C.N., left, is here on leave from Halifax, and his younger son, Mid. T. Creery, R.C.N. (R.), a last year's Royal Roads graduate who is serving on H.M.C.S. Athabaskan, is also home at present. A daughter, Miss Elizabeth Creery, completes the family picture.

Royal Roads cadets of two years ago, on furlough from service in South Africa, and honored guests at the ceremonies, were Sub-Lt. R. C. K. Peers, New Westminster, and Sub-Lt. A. P. Campbell, Victoria, who were caught by the camera as they talked to Miss Joyce Leighton, left, and Miss Deborah Harrison.

Passing Out Ceremonies At H.M.C.S. Royal Roads

The skies were never bluer, the sun never shone with a more mellow glow. The faint whisper of breeze held a promise of long, lazy midsummer days. There was laughter and gaiety, bevels of attractive girls and many proud parents.

But, like a minor thread of music, there rippled through every part of the graduation ceremonies at R.C.N.-R.C.A.F. College, H.M.C.S. Royal Roads, yesterday afternoon and evening, a nostalgic feeling of change.

It had its being in the fact that this was the last time lanyards would be stripped from an all-navy class of cadets in the time-honored ceremony which made them, in the space of a moment, young midshipmen.

It also found life in the thought that this was the last graduation ceremony for the commanding officer, Commodore Wallace B. Creery, C.B.E., R.C.N., who leaves the end of July for eastern Canada to take up duties as Naval Chief of Staff. The last time too, that Rear-Admiral E. Rollo Mainguy, O.B.E., R.C.N., would address a graduating class as Flag Officer Pacific Coast, for he too, goes to a new appointment on the Atlantic Coast.

There was also the knowledge that when classes commence in September, cadets from navy, army and air force will study side by side for the first time in the history of the college, and Royal Roads will then be known

as the Canadian Services College.

All this, combined with the customary nostalgic feeling that always marks an end of college life, gave an intensified brilliance to a ceremony that has been, since its first year, an outstanding summer event in navy circles here.

Following the passing out ceremony and physical training display on the parade grounds, afternoon tea was served on the upper lawn and on the terrace of the main college block, known as "The Castle," where flags and bunting fluttered in the breeze.

Later in the evening a graduation ball was held in the cadet block at the college, where Commodore Creery and Mrs. Creery, with Chief Cadet Captain R. J. McAllister and his attractive partner, Miss Anne Hargraft, received the many guests.

Strings of colored lights in the evergreen trees leading down to the gardens added a romantic touch to the starlit summer evening.

Music for dancing, played by Len Acre's Orchestra, featured all the favorite tunes of the graduating class.

When the last strains of the home waltz floated out through the long windows it marked not only the end of the ball, but for the young midshipmen, the beginning of grown-up life, and for Royal Roads, the beginning of a new era.

Parents And Friends Attend The Graduation

Enjoying afternoon tea on the terrace following formal ceremonies on the parade ground were Admiral P. W. Nelles, C.B., LL.D., R.C.N. (Ret.) and Mrs. Nelles with their guest from Ottawa, Miss P. W. Fripp.

Mr. and Mrs. W. T. Cloggie were with Mrs. R. Mylrea and Mr. and Mrs. C. E. Sherwin; Lieut. and Mrs. Charles Brooks had with them, Mr. and Mrs. D. H. Hartness, Mr. and Mrs. C. A. Clements and Miss Joan Clements.

Chatting over teacups were Mrs. E. E. N. McCallum, Mrs. Hew Paterson, Mrs. M. Tatlow and Maj. and Mrs. P. J. Patterson.

From Brentwood came Cmdr. and Mrs. D. A. S. Craven, Miss J. Craven and Master G. Craven, with Cmdr. F. B. Leigh and Miss J. Leigh of Sidney.

A charming representation of

the younger set included Misses Elizabeth Creery, Margaret Ogle, Mona McLean, Maureen Rogers, Janet Henderson and Connie Bissett and Dorene Cottrell, both of Vancouver.

Miss Barbara Hunt and Miss Shirley Wallace enjoyed tea with Lt.-Cmdr. R. Chenoweth, Montreal; Lieut. E. S. Lloyd, Halifax, and Lieut. K. C. Stokes, Ottawa.

Mrs. G. Gray had with her Mrs. Earl Watson, Vancouver; Mrs. R. Gower, Victoria, and Mrs. Farquhason and Mrs. E. Scott of Windsor, Ont. Mrs. J. H. Montgomery, England, was guest of Lt.-Cmdr. F. Forrest and Mrs. Forrest, Mr. and Mrs. Brock Whitney, and with Miss D. Marsden.

A party of five included Mr. and Mrs. G. N. Worsley, Mrs. K. D. Stone, Col. E. H. Casper and Mr. W. Atwood.

PARIS (CP) — Marguerite Moncea, 77, known on the French stage and screen as Marguerite Moreno and one-time collaborator with Sarah Bernhardt, died Wednesday.

Great Losses For Canada Averted By Rail Settlement, Says Premier

OTTAWA (CP) — Canadians probably will never know what they have been saved through settlement of the rail wage dispute, Prime Minister King declared Thursday in a press conference after the threatened rail strike had been averted. With Labor Minister Mitchell sitting at his right, Mr. King extended to him the thanks of the government for breaking a dead-

lock that "might have had a very serious effect on the critical world situation." The labor minister, he said, had worked hard and he wished to thank him publicly on behalf of the government. He wanted to express appreciation, too, of the attitude of both disputants in accepting the conciliation services of the government.

"I am sure," said the Prime Minister, "that most of us do not realize what this situation might have meant in the eyes of those contending with great difficulties in other parts of the world."

"The gain will be destroyed by the continued rise of inflation under which the nation will suffer," he said.

Mr. Bracken blamed government policies for having caused the emergency, "but one more stage in the fatal spiral of inflation."

"The nation will breathe easier now that a national railway strike has been averted," said Mr. Bracken. "Such a strike would have been a disaster which would have produced more human misery and loss than Canada has ever experienced at any time in the past."

"Within a week the economy of Canada would have been brought completely to a stop and famine conditions would have existed in our great cities."

"It will take months to measure the indirect losses which even now have occurred through the disturbance of commerce in the face of the threat, much less the actual cessation of railway operations."

"What is the moral of all this? The railway workers are among the finest of Canadian citizens. They have won a temporary gain. But the gain is only a transitional one unless the rise in prices can be halted."

Reports of sewage from the Clover Point outlet drifting back on to the beach near Ross Bay Cemetery will be investigated by Cyril Jones, acting city engineer, and consideration will be given installation of a settling tank at the sewer mouth, the city's public works committee has decided.

Royal Roads Ends Role As Navy College

Success of combining the training of naval, army and air force cadets would depend on the co-operation of the three services, Rear Admiral E. R. Mainguy, O.B.E., Flag Officer Pacific Coast, said Wednesday.

The admiral, who was addressing the last all-navy graduating class at the R.C.N.-R.C.A.F. College, H.M.C. "Royal Roads," was referring to the changes to take place in the training of cadets for the armed forces. Starting in the fall term of 1948, the naval college will be known as the Canadian Services College.

"It is too early yet to say if the plan will prove a success," said the admiral. "But one thing is certain, it will be a success if all three services co-operate in making it so."

On the parade ground of the naval college, hundreds of distinguished guests, parents and friends watched the last all-navy senior term receive awards for academic and sporting achievements. Thirty-eight cadets graduated after two years' training at the college.

BAND ADDS COLOR

The presence of the 16th Canadian Scottish Band attired with busbies and scarlet tunics added a splash of color to the ceremony which was predominated by blue uniforms of navy and air force cadets.

On the reviewing stand with Commodore W. B. Creery, C.B.E., commanding officer of H.M.C.S. Royal Roads, was Air Vice-Marshal K. M. Guthrie, C.B., C.B.E., Air Officer Commanding Northwest Air Command, and Admiral P. W. Nelles, C.B., R.C.N. (retired).

The ceremony opened with the inspection of the cadets, after which the captain of the college gave an introductory address, being followed by Admiral Mainguy and Air Vice Marshal Guthrie.

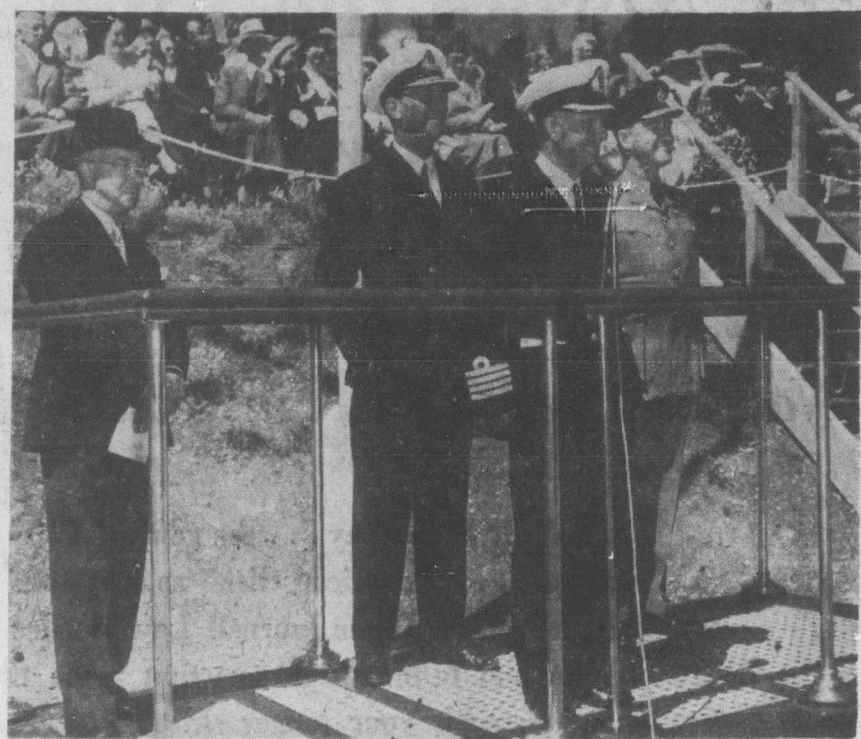

Prizes for scholastic endeavors were awarded by Admiral Mainguy, while Admiral Nelles presented the cups to the cadets who distinguished themselves on the field of sport.

OUTSTANDING CADET

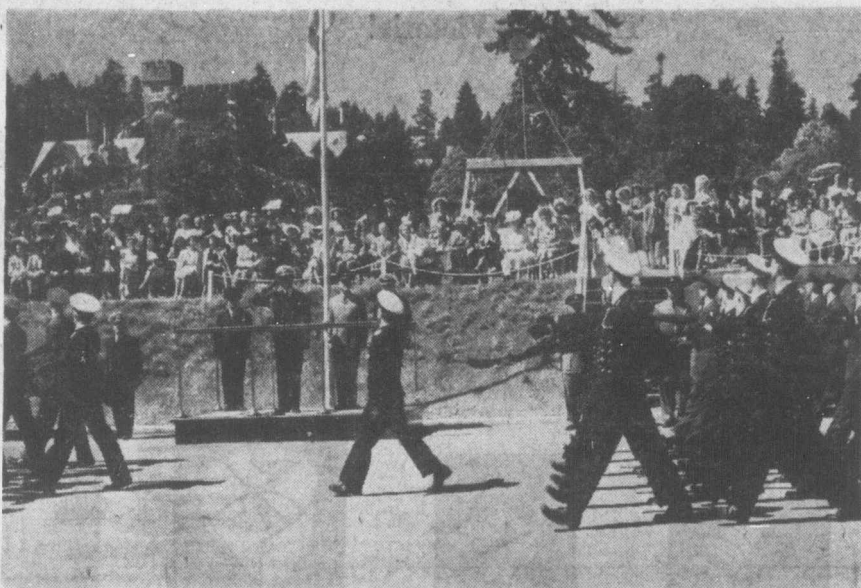

Outstanding naval cadet of the graduating class was Cadet R. J. McAllister, Westmount, P.Q., who won the King's Canadian Dirk, the H. E. Sellers Officer of the Watch Telescope, and placed first on the list with the award of the First Class Certificate. Cadet McAllister also won the Department of National Defence Officer of the Watch Telescope, which was awarded by revision to Cadet J. F. Miles, London, Ont.

Cadet D. H. Pratt, of Victoria, won the Department of National Defence Officer of the Watch Telescope for attaining the highest place among those entering the Royal Canadian Navy. The award called for officer-like quality marks with examination marks in the proportion of one to three.

real, was awarded the Nixon Memorial Sword of Honor for the highest officer-like quality mark on graduating.

The Log Literature contest went to Cadet R. Leckie, Ottawa, and R. H. Kirby (junior term).

The following cadets in the graduating class were awarded 1st class certificates: R. J. McAllister, Westmount, P.Q.; D. H. Pratt, Victoria; J. F. Miles, London, Ont.; R. B. N. McBurney, Toronto, Ont.; J. G. C. Atwood, Vernon; P. D. McIntyre, Toronto; J. H. W. Knox, Toronto; H. D. W. Bridgman, Victoria; J. R. Young, Kelowna; H. P. Labelle, Montreal; F. J. F. By the Canadian Press
Current statistics show increases in both cost-of-living and wages, with some dispute as to which has the edge in the grim race.

Wages get their turn in this week's supplement of the Canadian Statistical Review, which shows the average weekly salaries and wages in all manufacturing in May were \$40.75, an increase of \$3.48 over May, 1947, and of \$8.51 over May, 1946.

By groups the following averages are shown: (May, 1947 and 1946, in brackets)—

Lumber and its products, \$35.75 (\$32.50-\$28.75); iron and steel products, \$45.43 (\$40.96-\$36.42); machinery, \$44.49 (\$39.81-\$34.51); agricultural implements, \$48.14 (\$39.71-\$34.32); electrical apparatus, \$43.20 (\$37.06-\$32.44); clay, glass and stone products, \$41.30 (\$36.34-\$31.52); textile products, \$31.71 (\$28.21-\$24.74); pulp and

paper products, \$45.62 (\$39.65-\$34.78); logging, \$41.29 (\$35.19-\$27.95); mining, \$49.25 (\$43.54-\$38.39); communications, \$36.65 (\$33.76-\$33.21); transportation, \$45.20 (\$43.55-\$39.21); all construction and maintenance, \$37.89 (\$34.63-\$30.84); building construction, \$41.16 (\$37.48-\$33.40); services, \$25.62 (\$23.37-\$20.97); trade, \$33.99 (\$31.11-\$28.24); finance, \$38.69 (\$37.42-\$34.69).

MARKETS YESTERDAY

Whatever the future, markets continued Wednesday to mark time. New York was a mixed picture of narrow gains and losses with the Associated Press 60-stock average up 1 to 72.2 and the rail component up 3 to a new high since July, 1946. In Toronto, industrials and base metals strengthened in dull trading, while golds were down and western oils about even. Montreal trends were mixed, with papers and industrials on the

upside and banks and utilities off. July corn was up three cents in Chicago, but the rest of the

market was lower. In Winnipeg oats and barley gained and rye was irregular. New York cotton was 20 to 55 cents a bale higher.

Fiery, Itching Toes and Feet

Here is a clean, stainless antiseptic oil that will do more to help you get rid of your trouble than anything you've ever used.

Its action is so powerfully penetrating that the itching is quickly stopped; and in a short time you are rid of that bothersome, fiery torture. The same is true of Barber's Itch, Salt Rheum, Eczema—other irritating unsightly skin troubles.

You can obtain Moon's Emerald Oil in the original bottle at David Spence Ltd. or any modern drug store. It is safe to use—and failure in any of these ailments is rare indeed.

Old Woodenface Gets Test

One of the members of the Minor Baseball Association taking part in this week's woodenface competition at Athletic Park, Alan Stonehouse winds up for his turn while Slim Hunt, official umpire-in-chief, stands by the target. Jack Palmer and Archie Wilson, members of the Athletics, may be seen in the group of prospective woodenface champions standing by. Finals of the woodenface will take place at the park Saturday night at 7.30 and will be followed by a juvenile baseball game under the lights at 8.

Brentwood Trips Navy To Halt Playoff Bid

Navy's hopes for a spot in the senior A softball post season playoffs went a-glimmering last night as the sailors dropped a 5 to 3 decision to Rom Knott's Brentwood Aces before a handful of spectators at Central Park.

The game was last of the regular schedule for Aces and left them firmly entrenched in third place with a season's mark of nine victories and seven defeats. For the tars it was the 12th defeat in 15 starts.

However, the sailors still have a faint hope of making the playoffs. They now trail Bluebird Cabs by one-half game and with a win over Douglas Tire in their final league game tomorrow night can force a playoff with the cabbies for the final playoff position.

If Douglas Tire win the final game they will move into a first-place tie with Timber Service for the league championship and a sudden-death playoff will be necessary to decide the pennant winner.

USES THREE HURLERS

Manager Rom Knott took a leaf from the book of the major league all-star game last night as he used his pitchers in three-inning stands, with Brian Sluggitt, John Furneston and Ray Hough dividing the hill duties.

Navy opened the scoring in the second inning when Clark reached third on a three-base error by centre-fielder Burge and scored on a single by George. Brentwood replied with two runs in their half of the frame to take the lead. Slater started it off with a single and scored when George Kinch threw the ball into right field on Burge's sacrifice. Burge going to third. Sluggitt squeezed home the second run. Aces made it 3 to 1 in the third with Phil Benn singling, going to second on an error by George, reaching third on a passed ball and scoring on Slater's second hit.

Two walks, a double by Clark

Eaglettes Edged By Ladysmith Squad In Softball Battle

Victoria women's softball took a sudden rise last night when Wally Yeamans' Eaglettes forced the powerful Ladysmith nine to the limit before dropping a 4 to 3 decision in an exhibition game at Central Park.

As it was the classy up-islanders who have been regularly taking the measure of Vancouver squads this year were forced to come from behind to defeat the locals.

The big break in the game came in the fifth inning when the Eaglettes infield booted the ball for two errors allowing Ladysmith to score three runs. Up to that time Ruth Oster had hurled shutout ball for the locals, Eaglettes taking the lead in the fourth inning scoring two runs.

Trailing 3 to 2, Eaglettes bounced back to knot the count in the last of the fifth with Evelyn Slater providing the punch with a long triple. She scored on an overthrow at third base.

Winning run came in the first half of the sixth inning when Hickman singled home DeLuca who had tripled.

Tillicums To Meet Eagles In Feature

Tillicums qualified for the right to play in the feature attraction of Minor Baseball Week at Athletic Park Saturday night at 8 by defeating the league-leading Eagles, 5 to 3, in juvenile baseball fixture last night. The clubmen will meet Eagles in the Minor League attraction.

Other games scheduled for Saturday will be played at 2 and 4 and will feature bantam and midjet teams. The Eagles Band, under the direction of Alec Donald, will be in attendance.

Improve Track At Langford Speedway

Officials at the Langford Speedway will be looking for faster times in Saturday's weekly auto races with the track having been widened four feet on the backstretch. The extra width will give the faster cars passing room on the straightaway.

Tonight and tomorrow evening the local drivers will be out on the strip trying it out as they wind up their machines in preparation for Saturday's program. The public is invited to attend the practice sessions.

A good entry of both local and United States cars and drivers is assured for Saturday, with time trials opening the show at 7.30.

Lawn Bowling Doubles

Sam Barr and Sid Cole of the Canadian Pacific Lawn Bowling Club are the 1948 winners of the Wilkerson Shield, emblem of the Greater Victoria doubles championship. This week, after a sharply contested match, they defeated Mitchell and Maddaloni of the Lake Hill club, 21 to 19, on the Beacon Hill greens. In third and fourth places were S. Baxandall and T. Smellie of the Victoria club and R. H. Harrison and J. Reeves of Victoria West, respectively.

Last year the shield was won by J. Mercer and A. Findlay of Burnside. In 1942 Barr won the honors partnered with Angus Wallace.

The shield was presented to the winners by W. D. Morgan, president of the Victoria Lawn Bowling Club.

Athletics' Power Crushes Vancouver

Jensen, Recca, Wilson Smash Home Runs; Kasparovitch Wins 10th

Home run barrage by Babe Jensen, Sal Recca and Archie Wilson, along with a well-rated pitching trick by Lenny Kasparovitch, swept Victoria Athletics to a 9 to 2 victory over Vancouver Capilanos last night before another big crowd of 3,100.

It gave the Athletics the series two games to one and put the boys in good fettle for the four-game set opening tonight at Bob Brown's band box in Vancouver. A's today were only three and one-half games out of first place.

Total attendance for the three games was 7,800 which boosted the season figures to over 95,000. With any kind of break the club will top last season's high of 130,000.

The big three of Jensen, Recca and Wilson had themselves a grand night with the willow. The first-named, who won Tuesday night's battle with a home run in the 10th, came up with a grand slam circuit break in the third to give the A's a 6 to 2 lead. The

hard-hitting third sacker picked up another hit good for two bases.

HOMERS INSIDE PARK

Wilson punched out a home run in the fifth, a long smash to the right field corner with two runners aboard and also had a couple of singles for a good evening's work. Recca lifted the ball out of the park with nobody aboard in the second and in the fifth contributed a double against the left field wall. The trio gathered in seven of the team's 11 hits.

Second sacker Jack Palmer snapped out of his hitting slump by clouting a single and double in four trips.

For Kasparovitch it was his 10th win of the season, the half-way mark in his bid for 20 triumphs. With better than a third of the season remaining the smooth-throwing right-hander has a good chance to realize his ambition.

Lenny hurled a clever game.

Although touched for nine hits, he was never in serious trouble, except for the second inning, when Hjelmaa poled a home run and successive singles by Warren and Snyder produced a second counter. Kasparovitch hung a succession of goose-eggs for the Caps the rest of the way.

Athletics played without first baseman Vic Buccola, who was sick. Kubiak took over the position.

After Vancouver had moved ahead 2 to 0 in the top of the second the A's roared back to tie it up in their half. Wilson got a

single, stole second went to third on catcher Warren's error, and scored on an outfield out. Recca followed with his homer for the tying run.

Starting pitcher Bob Costello, who publicly predicted he "would beat the Victoria bums" was treated to the full force of the A's power in the third and proved the biggest bum of all. Singles by Balassi, Palmer and Wilson loaded the bags. Jensen stepped up and lined the ball out of the park.

In the fifth Kubiak singled, Palmer doubled and Wilson cleared the bases with his four-ply wallop. That was all for Costello with southpaw Carl Gunnarson working out the string.

After the series at Vancouver the A's continue on the road for a week, returning July 26 for their next home stand against Spokane.

BREMERTON WINS

Tacoma and Bremerton switched their crucial first place

series over to Tacoma today with the challenging Bremerton nine just one and a half games out of the lead.

The navy city took the odd game of its half of the 10-game series last night, blasting over four runs in the third and going on to a 9-3 verdict.

Spokane bowed before Wenatchee 10 to 4 for the second straight night. Yakima evened current accounts with Salem by an 8-to-1 margin in the Oregon city.

Circuit clouts figured heavily in the Wenatchee triumph. Neil Bryant pushed over three runs with his third inning belt and Bill Wilson soloed in the fifth. Bud Sheely got a two-runner for Spokane.

Cleveland-A's Open Crucial Ball Series

Cleveland Indians and Boston Braves, each striving to win their first baseball pennant in years, open long road trips today, but the prospect of playing before hostile crowds doesn't bother them.

As the majors resumed activity after a three-day lull for the all-star game, a survey showed both the American and National League leaders have won more games on the road than at home.

Suspended Boxla Star May Air Case At League Meeting

A report originating from Nainaimo last night that the Nainaimo box lacrosse team would disband for the balance of the season if the B.C.L.A. does not uphold the appeal on the suspension of two of the up-island players by the Victoria Lacrosse Association, was termed as unofficial by Doug Fletcher, president of the league, today.

To date no appeal has been received by the B.C.L.A. from Nainaimo. In any case Nainaimo should first have filed notice of appeal with the Victoria League, Fletcher said today. If the original suspension was then upheld Nainaimo could appeal to the B.C. body.

In an effort to give Bill Seward, Nainaimo player, who was suspended for the balance of the season for striking a referee, every chance to air his case, the local league has scheduled a meeting to take place before Saturday's game to which Seward has been invited to appear. The Nainaimo player did not appear at other meetings hinging on the case.

SAN FRANCISCO (AP)—Harold Wagner San Francisco tennis player, turned professional today.

The 28-year-old Wagner, as an amateur, captured state titles in Oregon and Washington and the western Canadian singles, doubles and mixed doubles titles.

ALTHOUGH she hails from Vancouver and only joined the "Y" swim team a couple of months ago to gain the advantage of McKinnon's coaching, any success enjoyed by Irene Strong will be Victoria's gain as the breaststroke and freestyle specialist is officially entered from this city. The same holds true for the Royal Canadian Navy fighter Eddie Haddad. Winnipeg is his native city, but the Canadian lightweight title holder's address on his entry blank, will read Victoria. Regardless of whether these athletes gain additional glory and honor at the London games, they have provided this city with much-valued publicity by gaining recognition as being among the top athletic performers in the Dominion.

TO ARCHIE McKINNON, who goes to London as coach of the swimming team, Olympic Games are nothing new. He attended the 1932 Olympiad at Los Angeles in an unofficial capacity. In 1936 Archie's ability as a track coach was recognized when he was selected to handle Canada's squad at Berlin. "Although I have attended two previous Olympiads, I am looking forward to the London affair with every bit as much enthusiasm as the youngest member of the Canadian team," McKinnon told me before leaving for the east. "Every edition of the games is another milestone in the world of athletics and I deem it a great honor that I will be privileged to take an active part in three of them." McKinnon expects to be absent from Victoria for at least two months. Following the games he hopes to travel to Scotland to look up relatives.

Invading Philadelphia for a twilight-night doubleheader with Connie Mack's amazing Athletics, Cleveland boasted a remarkable .758 percentage on foreign fields. The Indians have lost only eight games on the road while winning 25. At home they have split, winning 20 and losing 20.

The Braves, starting their western trip with a doubleheader at Chicago, have won 24 and lost 13 on the road. This is a .649 clip compared to the Braves' home mark, 22-18, for .550.

The runner-up Athletics, only .616 points behind Cleveland, likewise are "terror" on the road. They have won 28 and lost 14 for .667, compared to a home percentage of .526.

WIN EXHIBITION

The Indians, preparing for the series, entertained Brooklyn Dodgers in an exhibition game last night before 64,877 at the Cleveland Stadium. Catcher Jim Hegan's single in the 11th inning scored Joe Gordon from second base to give the Indians a 4 to 3 triumph.

The large crowd was treated to a brilliant two-inning relief chore by Leroy (Satchel) Paige, ageless negro hurler recently signed by the Tribe. Paige shuffled in from the Cleveland bullpen in the seventh, threw only 12 pitches, each of them with a corkscrew wind-up, and struck out the side. He fanned Gil Hodges on four pitches, struck out Irv Palica with three curve balls and whiffed Bobby Brown on five offerings, one a foul ball.

The ancient Alabaman retired three more hitters in order in the eighth to complete his labors for the night.

The fair-haired youth with the crew hair-cut has ambition, too. The U.S. nationals junior title is his immediate goal. Canadian Lawn Tennis Association officials conceded him a chance to do it this year at Kalamazoo, Mich., the first week in August. He reached quarter-finals in 1946 and again last year.

Veck Takes Blame For Feller's Absence

CLEVELAND (AP)—President Bill Veck of the Cleveland Indians today said he felt Bobby Feller was getting a great deal of criticism because the club withdrew the hurler from the all-star squad.

"Most persons apparently believe Feller had something to do with the action," Veck said in a statement released by the Tribe front office. "Actually, however, he didn't have anything to do with it. It was directed by Manager Lou Boudreau and myself."

IN GAINING the distinction of representing Canada at the forthcoming Olympic Games at London five Victoria athletes have made three years' hard work pay off. A strict training grind, winter and summer, has resulted in them gaining entry into the greatest amateur sports extravaganza. They will mingle with fellow athletes from all parts of the globe, make friendships and contacts that will remain with them the remainder of their lives. The Oly' ad will be something they'll never forget and is a just reward for the long hours of preparation and the many little forms of entertainment they passed up in their determination to reach the zenith of condition.

TO SWIMMERS Peter Salmon and Eric J. Job and tracksters Cliff Salmon and Elaine Silburn, selection on the Canadian Olympic squad is the culmination of bids they launched back in 1945. The swimmers actually got down to serious business after the Y.M.C.A. squad swept the Canadian junior championships at Hamilton in 1946. It was then that Coach Archie McKinnon injected Olympic Games enthusiasm into his charges and they buckled down from there on in. The "Y" track stars, under Coach Bruce Humber, have been preparing for the games since 1945. "I got the boys and girls worked up right after I came out of the air force and they never let up in their determination to get their club representation on the Canadian team," Humber said today.

ALTHOUGH she hails from Vancouver and only joined the "Y" swim team a couple of months ago to gain the advantage of McKinnon's coaching, any success enjoyed by Irene Strong will be Victoria's gain as the breaststroke and freestyle specialist is officially entered from this city. The same holds true for the Royal Canadian Navy fighter Eddie Haddad. Winnipeg is his native city, but the Canadian lightweight title holder's address on his entry blank, will read Victoria. Regardless of whether these athletes gain additional glory and honor at the London games, they have provided this city with much-valued publicity by gaining recognition as being among the top athletic performers in the Dominion.

TO ARCHIE McKINNON, who goes to London as coach of the swimming team, Olympic Games are nothing new. He attended the 1932 Olympiad at Los Angeles in an unofficial capacity. In 1936 Archie's ability as a track coach was recognized when he was selected to handle Canada's squad at Berlin. "Although I have attended two previous Olympiads, I am looking forward to the London affair with every bit as much enthusiasm as the youngest member of the Canadian team," McKinnon told me before leaving for the east. "Every edition of the games is another milestone in the world of athletics and I deem it a great honor that I will be privileged to take an active part in three of them." McKinnon expects to be absent from Victoria for at least two months. Following the games he hopes to travel to Scotland to look up relatives.

McElroy B.C. Hope For Canadian Title

HAMILTON, Ont. (CP)—The boys in the locker-rooms look for Walter McElroy of Vancouver or Joe Stoddard of Hamilton—with Gerry Kesselring of Kitchener in a dark horse role—to carry Canada's hopes in the Canadian amateur golf championship final.

At least one native son is assured of a spot in the 36-hole title match Saturday. Yesterday the last two Americans in the top half of the draw fell by the wayside in a day of tough competitive golf which left only 16 survivors from the original starting field of 172.

But the so-called experts could be wrong and any one of the five other Canadians in the top bracket could come through—Bill Thompson of Guelph, member of one of Canada's most noted golfing families, Jimmy Thompson of nearby Dundas, Jim Boeckh of Toronto, R. A. Patterson of Bratford or Ernie Bentley of Toronto.

Four invaders from the United States, including defending champion Frank Stranahan, remain in the lower half of the draw with four Canadians. Stranahan, odds-on favorite to repeat his 1947 triumph has as his American running mates: Ed Meister of Willoughby, O.; Doug Ford of New York City and Larry Dana of Bradford, Pa.

The bronzed champion, who also wears the British amateur crown, faced his toughest test of the tournament today. He was drawn to play Ford, ranked as one of the better U.S. amateurs. Meister was drawn against Gil Walker of London, Ont., who reached the fifth round of the event last year before he went down to Stranahan.

Sonny Adams of Toronto, who played sound golf through two matches yesterday, was drawn against Dana. The other survivors in their half of the draw are Tommy Riddell of Montreal, Quebec amateur champion, and Charlie Egleston of London, one-time Michigan junior champion and a former resident of Detroit.

The 22-year-old McElroy ranked as the locker-room favorite on the basis of both skill and experience. He was drawn against Thompson, whose uncle Nicol was pro at host Ancaster course for 48 years. Kesselring, former Canadian junior champion, drew Jimmy Thompson, a former southpaw golfer who switched to a right-handed swing but grips the club cross-handed. Boeckh was drawn against Paterson and Stoddard faced Bentley.

UPSETS SEEN

Yesterday's play, which sent 48 golfers to the sidelines, brought its share of upsets. Stoddard put down the threat of 30-year-old Ken Ward of Montreal who knocked United States amateur champion Skeel Riegel out in the first round Tuesday.

Twice during the day players beat styries by using an iron instead of a putter on the green and chipping their balls over those of opponents. Stranahan used the technique before a large gallery on the eighth hole of a match with Don Cordukes of Ottawa. His chip shot cleared Cordukes ball, hit the green and rolled into the cup. But there were hardly any spectators when Jimmy Thompson turned the same trick, with an improvement, against Don Vary of Brantford, Ont. Thompson's two-foot chip shot dropped right into the cup without touching the green.

Canada's Olympic Party Delayed By Strike Threat

MONTREAL (CP)—A weary band of athletes and officials boarded a special train at Windsor Station late Wednesday on the first leg of their journey to London and the Olympic Games.

For four hours the entire Canadian party of more than 130 sat, strolled and lounged about Central Station, three blocks away from Windsor Station.

They were on their way but, because of the threatened railway strike, didn't know if or when their Canadian National Railways boat train for Halifax would leave.

Then came an announcement by the Olympic executive that arrangements with the C.N.R. had been canceled and the party would leave on a special Canadian Pacific Railway train for Saint John, N.B., strike or no strike.

ANOTHER WAIT

Over at Windsor Station there was another wait of nearly two and a half hours while the C.P.R.'s Olympic special of seven Pullman cars and a diner was made up and a special crew assembled.

During the wait in Windsor Station the imminent railway strike was called off. By that time none of the party seemed to care.

Prof. Nelson Hart of London, Ont., general manager of the Canadian Olympic team, said the switch in railway arrangements came when the C.N.R. would guarantee to carry the party only as far as Levis, Que., in view of the strike threat.

Scots Register One-Sided Win In Football Finals

VANCOUVER (CP)—Before a crowd of 3,500 St. Andrews Wednesday night downed Vancouver City 5 to 1 to take the first game of a best of three series in the British Columbia section of the Dominion soccer play-downs. St. Andrews' Johnny Newbold made full use of Vancouver City's centre half miscues and scored a brace of quick goals to break a 1 to 1 deadlock in the second half.

Denny Rogers tallied City's lone goal on a pass from Whitaker.

The Scots' scoring members included, besides Newbold, George Steele, Gogle Stewart.

They play a second game Saturday.

PHILADELPHIA (AP)—There will be no more televising of major fights under the direction of Herman Taylor unless the Philadelphia promoter is insured against a loss.

Taylor made that emphatic statement today, reporting he lost close to \$10,000 in promoting Ike Williams' successful defense of the lightweight title at Shibe Park last Monday night.

"Sentenced For Life"

THIS YOUNG... middle-aged couple were out for a drive, he's probably fifty... and she forty-five. 'Twas a heavenly day, a clear blue sky, they'd been many years married... this July. They were driving around Cordova Bay, he held her hand, and went on to say: "This looks a nice place for a rendezvous, let's stop and order 'Tea for two.' They were ushered to a table on the promenade, a cosy spot... covered in shade. And while they were waiting, they gazed upon the scenic view and the Isle of San Juan.

DO YOU JUAN a bargain in an ice box ??? 'cause me don't Juan to take 'em with us thru the winter... so \$14.50

"LOOK, MOTHER"... approaching on the road, somewhere I knew a man who so strode, ??? "Why, yes," echoed mother, as she watched this man, "and I can see he's a reverend gentleman. Why... so he is... you've better sight, I too see his collar a circle of white. Looks like a man you'd instantly like, guess you'll mount him... he's been for a hike. Just then they were served their toast & tea, when they heard the voice of the Rev. D.D. Who'd been given a table, right alongside, on this gay veranda... so big & wide.

BIG AND WIDE are these Baby Chiffon Spreads... shown in white, gold or old rose... summertime price of \$15.95.

"Thank you," said the Reverend, "yes, this is nice, I'll have a double coke and lots of ice." "Goodness," whispered mother, "his voice I have heard, that I CAN'T REMEMBER... seems absurd." "Yes," replied father, "that voice an episode, I guess somewhere... along the road. We've heard him at some church on the prairie... just lookit the size of this gorgeous straw-berry!" But "mother" wasn't listening to what "father" was saying, because she heard somewhere... an organ playing. And a bird seemed to sing in the shady tree, "I Love You Truly"... and "Oh Promise Me."

YOU'LL LOVE these Venetian Blinds... may we estimate???

"I'M GOING," said "father," "to ask his name," and suddenly she heard "father" exclaim. "Well... well... what a memory I've got, why your the man... who tied our knot. Come over here, & again meet the bride"... mother shook hands... sort of misty-eyed. As "father" covered up, saying impromptu, "HERE'S THE GENTLEMAN DEAR... WHO SENTENCED YOU!"

Clouting Graham Only 19 Off Home Run Mark

Jack Graham, the San Diego long-range bomber, needs only 19 more homers in 81 games to tie Tony Lazzeri's Coast League record of 60.

Graham smacked his 41st round-tripper last night with two on in the ninth to give the Padres a 3 to 0 second game win over Sacramento.

The big southpaw swinger has been socking homers at the rate of one every 2.675 games. If he maintains that pace, he will hit 30 more for an out-of-this-world total of 71. Graham's drive came off Marvin Grissom and gave the Padres a split for the night. The Solons took the opener, 3 to 1.

LEADERS LOSE

Oakland's leading Oaks bowed 5 to 2, to Hollywood, but maintained their two-game lead as San Francisco was whipped a second straight time by Los Angeles, 4 to 3, on Don Carlsen's fifty-fourth homer.

The Stars advanced to within a game and a half of fifth-place Seattle, which lost twice to Portland, 7 to 0 and 7 to 1.

The Beavers received virtually airtight pitching from Duane

Pilette, who tossed a seven-inning two-hitter, and Vince Dibiasi, who followed with a full-length four-hit job.

Crack Down On Jockeys At Lansdowne Racetrack

VANCOUVER (CP)—Cisaworth, four-year-old filly member of the distinguished Papworth "family," galloped home ahead of the field in Wednesday's featured seventh race at Lansdowne Park's 13th day of racing.

Jockey Willie Robertson rode a brilliant stretch ride to reward punters with a payoff of \$19.15 for \$2 nose bets.

Judges bore down on jockeys for the second straight day. Tuesday Sid Martin was fined \$50 for letting his horse drift. Yesterday Kenny Coppnell paid the same fine for fanning his whip in front of My Jury in the third.

Martin copped riding honors of the day with two wins. He was on My Jury in the third and in

Many Pay Tribute At Dryburgh Funeral

REGINA (CP)—Hundreds paid tribute Wednesday to Dave Dryburgh, sports editor of the Regina Leader-Post who was drowned Sunday.

Before the platform banked high with flowers from hundreds of friends and associates Dryburgh had known in his 39 years, Rev. N. D. Kennedy said the ideals he had held in an exacting profession were an incentive for his fellow workers.

The pallbearers were D. B. Rogers, editor of the Leader-Post; Al Ritchie, scout for New York Rangers of the National Hockey League; Tom (Scotty) Melville, formerly of the Leader-Post sports staff and now with the Winnipeg Free Press; Will Greenwood, prominent Saskatchewan golfer; Les Youngson, noted provincial curler; and Al Chaffee, hotel operator at Fort Qu'Appelle, Sask., near where Dryburgh lost his life in a boating accident.

Funeral services will be held at 10 a.m. at St. Paul's Roman Catholic church.

Burial will be in the Mount Pleasant cemetery.

Calgary Lifts Long-Time Ban On Women Wrestlers

CALGARY (CP)—Women wrestlers will inaugurate a new page in the history of the grunt and groan pastime in Calgary July 23.

A long-time ban on members of the "weaker" sex exchanging toe-holds, half-nelsons and headlocks in the city has been lifted by the Calgary Wrestling and Boxing Commission. The action leaves the way clear for appearance of muscle gals and promoter Larry Tillman has sent out a call for "two of the best."

Jack Miller, city clerk and chairman of the commission, said the ban against gal wrestlers here was established many years ago when women "rasslers" first began hitting the headlines.

"Most of those girls were only taking up the sport for show purposes," he said. "However, now I understand they have established themselves as top athletes and we're letting them appear."

Miller said "no restrictions" have been placed on either the wrestlers or the promoters concerning the dress that must be worn by the wrestlers.

"I understand they will be very modestly dressed in tights, but we have no restrictions."

He added that the commission would keep "a close watch to see that nothing is bad taste" occurs.

Rainiers To Keep White As Manager

SEATTLE (AP)—Emil Sick, owner of the Seattle Rainiers, Wednesday put to rest any ideas that he might be thinking of replacing Manager Jo-Jo White.

Asked regarding talk that Catcher Rollie Hemley was the choice of some players to replace the Georgian as skipper, Sick replied:

"I have no change in mind." Asked if he meant that White would be retained for the balance of the season, Sick explained:

"I don't believe in making flat statements on future situations. But you can say that the thought of removing Jo-Jo hasn't entered my mind."

Strike Vote Started Among Fruit, Vegetable Workers Of Okanagan

A government-supervised strike vote was started today among 4,000 workers in the Okanagan fruit and vegetable industry.

The vote will be continued until July 19.

The Labor Relations Board which authorized the vote, announced W. Fraser of its Vancouver office, and A. C. A. Baker, resident official at Kelowna, are supervising the vote.

The vote is being taken at 12 Okanagan centres and affects 28 packing plants. The centres start at Osoyoos in the south and extend to Vernon in the north.

Supervising officials will travel from place to place as the vote is taken.

The vote was sought by Federation of Fruit and Vegetable Workers after employers declined to accept majority award of a 12 1/2-cent-an-hour increase in wages across the board.

The union was willing to accept the board's decision.

E. S. Farr, chairman of the conciliation board, and F. V. Valair, member, submitted the majority award. - W. E. Adams, third member, proposed a 5 per cent increase in wages with a subsequent percentage adjustment if the prices for fruit are higher than those received for the 1947 crop.

The workers turned down Mr. Adams' proposal as being impracticable.

Modern Motor-Sailer Slides Down Ways At Victoria Plant

Equipped with the most modern devices, the motor-sailer Menita was launched at 3 this afternoon from the ways of McKay and Cormack, formerly Falconer Marine Industries.

The vessel belongs to Capt. W. B. Holmes, R.C.N. (retired), Dykehouse, View Royal. She is 42 feet over-all in length with a nine-foot, nine-inch beam. She has a draft of five feet and weighs approximately 16 tons.

The ketch-rigged motor-sailer has a mainmast 53 feet high and carries over 700 square feet of canvas on her main lower sails. The spinnaker sail has an additional 300 square feet of canvas.

The vessel carries over 300 gallons of fuel oil, enough for the engines to drive her 1,000 miles. The freshwater tanks will hold 350 gallons.

She is fitted with central heating plant of the latest fluid heat design. She has hot and cold running water and an electric refrigerator.

The vessel has also five watertight compartments, each connected with central bilge pumps, manually and electrically operated.

Former Rail Engineer, L. Williams, Dies

Leslie Williams, a railroad engineer known throughout Canada, having served with the C.P.R. for 52 years, before his retirement, died in St. Joseph's Hospital today, after an illness of two months.

Mr. Williams, who was 69, was born in Millville, Calif., and had resided in Winnipeg and southern Saskatchewan before coming to Victoria two years ago. He worked out of Sutherland, Sask., most of his life.

He was a well-known member of the Canadian Pacific Veterans' Association. Besides his wife, Catherine Elizabeth, at the family residence, 1036 Hampshire Road, Mr. Williams leaves one daughter, Mrs. Harry Aston of Nanaimo; a sister, Mrs. J. W. Sutherland, Victoria, and one brother, E. R. Williams of Wasagaming, Man. There are two grandchildren.

Funeral arrangements will be announced later.

Sea Wall Repair Early In Morning

Cement pouring will begin at 5 Friday morning into the 150-foot Ross Bay sea-wall break which occurred last winter, Cyril Jones, acting city engineer, said today.

Preliminary work on the \$20,000 repair contract has already been completed and sheet piling is in. The pouring job is beginning early Friday morning so that advantage can be taken of the low tide.

John MacLean, 1127 Pandora Avenue, frightened off a prowler who had gained entrance to his home by the rear door at 2.25 this morning. Mr. MacLean told police he was awakened by noises and when he turned the lights on he heard the intruder make a quick exit.

Forest Service officials said today conditions are building up towards a serious hazard in forests of the province. Clear and warm weather is prevailing over the southern portion from the coast to the interior, they stated. Only 14 fires were reported burning Wednesday.

End Representation Before Arbitrators On Police Wages

City and police union officials today completed representation of police department wages before a three-man arbitration board at City Hall.

The board, consisting of Brent Murdoch, chairman; A. Percy Rayment, president Victoria and District Trades and Labor Council, and W. M. Haldane, members, will consider the representations to bring in a recommendation which can be expected within two or three weeks.

At this morning's hearing, police union officials asked that any wage increase which might be awarded should be retroactive to Oct. 1, 1947, the date of the wage increase application. A. J. Patton, city solicitor, submitted that, if a wage increase were awarded, it should be retroactive to June 1, 1948.

A special meeting of the City Council Wednesday decided it could make no wage offer to police in view of the council having gone on record earlier this year that it did not have the money and had no means of raising it.

U.S. Couple To Run Oak Bay Theatre

Management of the Oak Bay Theatre which has been under lease to the Odeon Theatre chain has changed hands, it was learned today.

J. H. Booth, district manager of the Odeon Theatres on a visit to Victoria, said the company had turned over its lease to Mr. and Mrs. William Willis, who have just taken up residence in Victoria.

Mr. Willis, who arrived here from the United States two weeks ago, said he was so impressed by Victoria he decided to make the city his permanent abode.

He said the theatre would feature both British and Hollywood pictures. The theatre will remain independent, he added.

3 1/4 Million Acres Of Land Being Used Under V.L.A.

War veterans who have settled under the Veterans' Land Act are farming 3,276,000 acres across the Dominion, it has been revealed in Ottawa.

Greatest area being utilized under the act is in Saskatchewan, 1,013,000 acres. Alberta is next with 899,000 acres, Manitoba third with 670,000 acres. In the three Ontario districts V.L.A. veterans are farming 343,000 acres. In Quebec the total is 91,000 acres and B.C. has 69,000 acres under the scheme.

Hon. Milton F. Gregg, V.C., M.P., Minister of Veterans Affairs, reports that up to April 30 in the three types of settlement provided under V.L.A.—full-time farming, small holdings and commercial fishing, Canada has invested a total of \$94,064,000 in lands and buildings alone.

Summerland Woman Heads B.C. Rebekahs

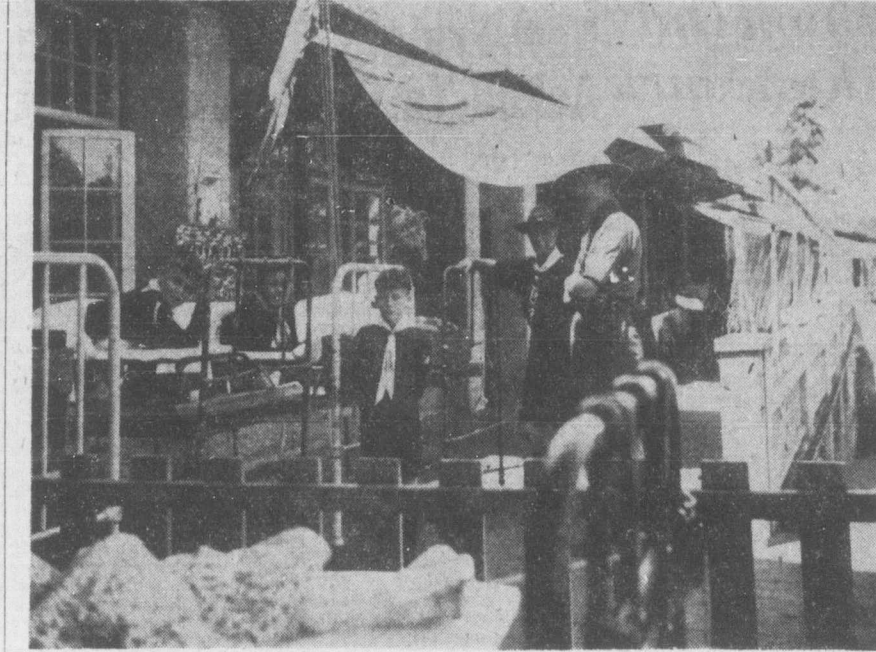

Mrs. Ina Atkinson, Faith Lodge, No. 38, West Summerland, was elected president of the British Columbia Rebekah Assembly here today.

Other officers are: Mrs. Olive Webb, Ruth Lodge, No. 4, Chilliwack, vice-president; Mrs. Blanche Anderson, Excelsior Lodge, No. 23, Kamloops, warden; Mrs. Agnes Hampton, Bethel Lodge, No. 26, Vancouver, secretary; Mrs. Pearl Betts, Redland Lodge, No. 12, Penticton, treasurer; Mrs. Ruth Whitworth, Vancouver, representative of the association of Rebekah assemblies.

The three-day convention, held in conjunction with Odd Fellows lodges, will conclude tonight with a banquet and ball at the Crystal Garden.

INSPECTS SOLARIUM SCOUTS—D. C. Spry, chief executive Scout commissioner for Canada, paid a special visit to Queen Alexandra Solarium during the course of his Dominion-wide tour. He inspected the five members of the Solarium Scout troop with Col. M. Dopping-Hepenstal, district Scout leader. In the Solarium troop are four bed patients and one walking patient. Herbie Sam, young Chinese-Canadian who has been a bed patient for seven years, is leader. Others are Peter Edgelow of Victoria, Frank O'Neill of Nanaimo, Donald Letnes of Vancouver, Francis Williams of Massett and Herbie Sam of Victoria.

Qualicum Rotary Plans Gymkhana To Aid Playground

QUALICUM BEACH — The Rotary Club, which among its other local activities, is building and equipping a children's playground here, will sponsor its first annual gymkhana in Recreation Park, July 22, to raise funds for the playground project.

The committee in charge is now engaged in rounding out the final details. Entries have been received from Dupcan, Courtenay and the Albernis, and with those from the various districts between these points, some keenly-contested events are anticipated.

The program will start with a parade of a mounted detachment, decorated floats, cars and bicycles, which will move off from the Ben Bow Coffee House at 1.30 in the afternoon, traveling along the beach. At the old hatchery the parade will be augmented, and proceed through the village to the Recreation Park, where a grand parade will be formed and the show opened by H. J. Welch, M.L.A. Twelve events including riding, jumping and novelty events will be held. Prizes and trophies will be on display in the village from Friday until July 22. These trophies include the Rotary Perpetual Trophy for the highest points at the show. Mrs. J. A. Hobday will present prizes. As an added attraction there will be supervised pony rides for the children.

Cominform Rejects Yugoslavia Reply As Base Document

BUCHAREST (Reuter) — A violent attack on Yugoslav leaders by the Communist International Information Bureau's official organ, which "uncompromisingly" rejected Yugoslav's answer to earlier Cominform criticisms, today widened the rift between Yugoslavia and other eastern European Communist states.

The paper said the Yugoslav reply, which branded Cominform charges of deviation as "invented slander" and "lies," was "one of the basest documents which shows that Tito's regime intends to carry further its anti-Marxist and anti-Soviet policy."

The paper, published here for the first time since its headquarters were shifted from Belgrade, added: "The leadership of the Communist Party of Yugoslavia represented by Tito, Kardelj, Dzhilas and Rankovic has unmasked itself still more as a bourgeois-nationalist leadership which has betrayed the cause of the working class, the cause of national independence of Yugoslavia."

Marshal Tito is Premier and Minister of Defence, Eduard Kardelj, Vice-Premier; Aleksandar Rankovic, Interior Minister, and Molovan Djilas, Minister without Portfolio.

Department of Education officials said today results of matriculation examinations probably will be released July 23.

Funeral Notice

The funeral of the late Comrade Arthur Trafford, 190th Battalion, will take place Friday afternoon, July 16, at 2 o'clock from Curry Funeral Home.

Members of Britannia Branch, No. 7, Canadian Legion, B.E.S.L., and ladies auxiliary are requested to attend.

J. A. LAW, NEATRUE, Secretary-Mgr., pro tem.

TRANSPORTATION CHAIRMAN—Philip Fleming, well-known city businessman, who was elected chairman of the transportation committee of the Victoria Chamber of Commerce Wednesday. The committee will study all forms of transportation.

57-Foot Schooner To Be Launched At Canoe Cove

A 57 1/2-foot auxiliary schooner, reported to be one of the finest ever built on the southern part of Vancouver Island in years, will slip down the ways of Canoe Cove shipbuilding yard on Saturday afternoon.

The schooner named the Black Dog, owned by William Tillier, of Victoria, will be launched by Gertrude Scilly, of Vancouver. The launching ceremony will take place between 4 and 5 o'clock.

Mr. Tillier designed the vessel and with the aid of Cyril Rudd built the vessel. The schooner has been under construction for the past 28 months.

With a water-line of 45 feet, the schooner has a 15-foot beam and a draft of seven feet. It is equipped with a Chrysler Royal engine.

The vessel is named after one of Drake's ships which fought the Spanish Armada.

Mr. Tillier said he intended to use the schooner this year for tuna fishing.

Jap At Moose Jaw Pulls Knife, Says Evicting Sheriff

MOOSE JAW (CP)—Hirokichi Isomura, 68, alleged to have pulled a knife on Sheriff Charles Russell, today awaited trial on a charge of obstructing a peace officer as the aftermath of the eviction of 38 Japanese from a relocation camp four miles south of Moose Jaw.

Sheriff Russell, accompanied by movers, went to the camp Wednesday to move out the property of the Japanese, whom federal authorities had ordered him to evict.

Isomura is alleged to have pulled a knife when asked by the sheriff where he wished his belongings to be taken.

Other camp residents, while not so belligerent, also objected to leaving the relocation centre. Two had to be dragged to the doors of their cubicles.

W. Ross Thatcher, C.C.F. member of Parliament for Moose Jaw, asked the Japanese if they would move into the city if he found accommodation for them, but they refused.

Complaints have been received at City Hall of Ross carriers shaking houses as they run along Dallas Road. One complainant said the carriers were running along the road all day long and into the small hours of the morning.

Polio Victim's Wife Among Blood Donors

Among volunteer blood donors at Wednesday's Red Cross clinic here was Mrs. E. M. Zimmerman, widow of Electrical Artificer Edward Zimmerman, R.C.N., who died last month aboard his ship, H.M.C.S. Athabaskan, from poliomyelitis.

Mrs. Zimmerman, the former Joan Fleming, said she was aware of the urgent need for donors. Before her marriage last January she traveled through B.C. with the Red Cross blood transfusion unit as driver of the refrigeration truck.

Handicraft Fair For Victoria Craftsmen

A handicraft exhibition opened to all Victoria craftsmen is being planned by the B.C. Indian Arts and Welfare Society for Aug. 17 and 18, it was announced today. The fair will be held in the Empress Hotel crystal ballroom.

A variety of handicrafts will be featured at the fair. In many cases craftsmen will bring machines and tools and will actually demonstrate how their work is done.

The society will have a stall with modern Indian handicrafts on sale and there will also be an exhibit of antique pieces of Indian craft.

Pottery, leatherwork, fisherman's files and spoons, weaving, wood-carving, hooked rugs, pressed flower pictures, are samples of the work which will be shown.

A special feature of the fair will be a competition for novelty lamp shades.

Returns from the fair will go towards Indian welfare work. Victoria craftsmen who wish to apply for space at the fair should telephone G 5425 or B 1420.

Rangers Dog In Kelowna For Missing Man Search

Sir Roderick of Ogden, South Vancouver Island Rangers man tracking bloodhound, got his first call for action off the island Wednesday in connection with a lost aged man in the Kelowna district.

The dog was asked for to help locate R. W. Butler, aged 68 years, of Okanagan. Mission, six miles from Kelowna. He has been missing since Tuesday morning.

Word received at noon from the party briefly said: "Return-

ing home, search unsuccessful." Message contained no further information.

Insp. Roger Peachey, deputy commissioner of the B.C. Provincial Police, got the request for the services of the dog. Insp. R. Harvey immediately contacted the Rangers.

Handlers Reay Meldram and Jack Stevenson and the dog were taken to Patricia Bay at 3.15 yesterday afternoon by head Ranger Gordon Sward to board a West-Ingush Airways plane for the interior.

Yarrows Lay Off More Shipworkers

More builders have been laid off at Yarrows Ltd., due to the lack of work at the large Esquimalt shipyard, it was learned today.

Further reductions of staff were contemplated in the near future, company officials said with the closing down of No. 2 Yard.

Layoffs followed an announcement made by Hubert A. Wallace, vice-president, Wednesday that the company had little hope of obtaining contracts due to competition from eastern Canada shipyards.

Boy Who Swallowed Pill Out Of Danger

Condition of Brian Eaton, 415 Dunedin Street, the three-year-old boy who swallowed a pill prescribed for his mother, Wednesday morning, was said to be excellent by Jubilee Hospital attendants today. City police took him to the hospital where his stomach was pumped out. The pill was too strong for a child and made Brian very sick. It is expected he will be released from hospital today.

Nothing was missed after Constable P. Brand Wednesday night discovered a window and frame had been removed from the premises of Spencer Houston's Auto Sales, 951 Yates Street.

Anonymous Letter Writers Lacking In Courage, Says Mayor

Mayor Percy George charged today persons who write anonymous letters to the City Hall with a lack of courage and community consciousness.

Every week, the mayor said, anonymous letters arrive at his office and because of their anonymity are absolutely wasted. Letters without the names of the sender cannot be turned over to department heads, as these officials cannot act on them, he pointed out.

Mayor George estimated that 90 per cent of the anonymous letters are signed "A Taxpayer."

"Personally, I think that if a man is a taxpayer, he should have enough courage and community consciousness to permit his name to be known."

"Should a letter writer desire to have his name kept confidential, that can always be done."

SUITCASE STOLEN

R. D. Taylor, Cabin 14, Victoria Auto Court, reported to city police at 11.45 Wednesday night his cabin had been entered and a suitcase stolen. He reported that two youths were seen crossing Gorge Bridge with the stolen article but a police search of the district failed to find them.

ODEON THEATRE

You may hate Leah or love her, but one thing is certain—you will never forget the heroine of Columbia's "The Sign of the Ram," which is now at the Odeon Theatre.

One of the most provocative and richest film roles within recent memory has fallen to Susan Peters on her return to the screen after an absence of over two years, and the young actress comes through with a portrayal which is a superb dramatic achievement.

ATLAS THEATRE

A romance destroyed by the consequences of a man's past mistakes is the basis of "Out of the Past," RKO Radio's absorbing drama starring Robert Mitchum and Jane Greer. Jacques Tourneur directed the film which features Kirk Douglas, Rhonda Fleming and Richard Webb. It now is being shown at the Atlas Theatre.

Same Nickel Used 15 Years Later

George Raft first rose to fame on the flip of a coin. In 1933 he tossed a nickel up and down in the palm of his hand in "Scarface," in which he played one of Paul Muni's henchmen. This bit of "business" pushed him up from the ranks of the star-gazers into those of the stars.

Now, in his latest film, "Mr. Ace," in which he co-stars with Sylvia Sydney, he tosses a nickel again while talking to a group of politicians who oppose him. It will be the same nickel, too. Raft has kept it as a good luck piece all this time. Now at the Oak Bay Theatre through United Artists release, "Mr. Ace" is one of Raft's top roles. And Raft has no further need for lucky charms.

CAPITOL THEATRE

Dennis Morgan and Viveca Lindfors made a special trip via air to Paris for exterior shots for "Warner Bros." exciting new drama, "To the Victor," currently at the Capitol Theatre. Both Jerry Wald, who produced this sensational drama, set against postwar Paris, and Delmer Daves, who has directed, decided that real shots of the Eiffel Tower, Montmartre and Normandy were necessary.

While this on-the-spot shooting gives "To the Victor" something unusual in filmfare, the American screen debut of Viveca Lindfors merits even greater attention.

ROYAL THEATRE

One hundred children employed for a comedy sequence in "The Bride Goes Wild," current attraction at the Royal Theatre, are still trying to figure out why people get paid for acting in the movies.

During two days' shooting for the Van Johnson-June Allyson film they spent their time in front of the cameras variously playing cowboys and Indians, using real swings and slides on a playground set, eating real ice cream and cake for a party scene, and dividing ice cold watermelons among themselves.

New Freight Rate Increase Asked To Offset Pay Boost

OTTAWA (CP)—Trains whistled and telegraph keys clicked as usual today. There was no railway strike. Labor Minister Mitchell Tuesday announced settlement of the union-management wage dispute, less than 15 hours before the strike deadline. It was to have started at 6 a.m., local time, today.

The railway unions, whose original demand was for a 35-cent-an-hour increase, settled for 17 cents, retroactive to March 1. It will go to 122,000 members of 18 International Unions, 28,000 members of the Canadian Brotherhood of Railway Employees and 20,000 non-union workers.

C.P.R. STATEMENT

N. R. Crump, vice-president of the Canadian Pacific Railway, said in a statement the C.P.R. should get a freight rate boost to cover the \$27,500,000 which the wage award adds to the C.P.R.'s annual operating costs. It was estimated a 15 per cent increase would be needed, he said.

"I believe the Canadian Pacific, having assumed the responsibility of taking the only course that could avoid a general railway strike, should receive an interim increase in freight rates pending a final determination of the merits of the case by the

Board of Transport Commissioners," he said.

Mr. Mitchell's announcement came at 3:10 p.m., E.D.T.

The settlement ended a long dispute which started last December. Mr. Mitchell summoned union and company representatives to Ottawa last Thursday after direct negotiations had broken down in Montreal.

The award means a \$76,500,000 addition to the railways' annual payroll, each cent of the increase being calculated to total \$4,500,000.

LEADERS PLEASED

Although the 17-cent hike is less than half what the unions first demanded, their leaders were obviously pleased. "Don't forget," said Frank H. Hall, chairman of the negotiating committee of the international unions, "this is the biggest Canadian railway wage increase since 1920."

Biggest company offer before the government stepped into the dispute was 10 cents. Prior to that, a conciliation board headed by Mr. Justice J. C. A. Cameron of the Exchequer Court had presented majority reports recommending a seven-cent boost. Minority reports—by union-nominated conciliators—urged a 20-cent increase.

Audiences To See Judy Garland As Sarah Bernhardt

HOLLYWOOD (AP)—Judy Garland will play Sarah Bernhardt. But it's only to be a short sequence in a musical film.

Before you start thinking that Judy is getting over her head in trying to portray the great Bernhardt, I hasten to add that it is merely a dramatic sketch within "The Barkleys of Broadway." During the rest of the picture she will be singing and dancing with Fred Astaire.

Dan Dailey's rapid rise has resulted in a new contract from 20th-Fox. It triples his previous salary. It's a seven-year pact with two-year options. The only sour note is that Dan can't do outside pictures. That's the only way stars can make big money these days.

"The Secret Land" will prove one of the most exciting films of the year. It has no big-name stars—just the 4,000 men of the postwar Antarctic expedition, plus some wonderful penguins for comic relief. Narrated by Bob Taylor, Bob Montgomery and Van Heflin, it shows all the thrills of Admiral Byrd's latest adventure into the world's last unknown continent.

Charles Bickford is celebrating his 20th year in the movies. He started in "Dynamite."

Gregory Peck, hearing that "The Robe" is postponed again, says he believes Butch Jenkins will be able to play the role Greg has been groomed for. "It might be made sooner," he adds, "Maybe Dean Stockwell can do it."

Clark Gable, before he left for Europe, turned down a publisher's offer for Clark's war memoirs. The actor said his war experiences were too too, compared with a lot of guys.

PANAMA CITY, Fla. (AP)—Extensive buzz bomb tests will be carried out off Santa Rosa Island July 16 and 22, the U.S. Air Force announced today. Civilian and commercial craft were warned to keep clear of the area.

U.S. Olympic Team On Way To London

ABOARD S.S. AMERICA (AP)

The first minor irritation turned up today for the United States Olympic delegation, en route to London for the summer games beginning July 29.

The party of 260 athletes and 44 coaches and managers had been to sea only a few hours when a six-inch gash was discovered in the top structure of California's eight-oared shell.

The oarsmen said the shell must have been damaged in the trip from the Princeton, N.J., Olympic try-outs.

Davis Cup Stars In Canadian Meet

TORONTO (CP)—Henry Rochon, Jim Macken and Brendan Macken, all members of Canada's ill-fated Davis Cup team, are entered in the Canadian lawn tennis championships to be held here the week of July 14.

Top-ranking American intercollegiate stars are also entered in the week-long tourney.

Mary Green of Vancouver is expected to make a strong bid for honors in the women's events. She holds the singles title for the Pacific Northwest as well as the Vancouver city crown.

Lorne Main Shares In Doubles Victory

QUEBEC (CP)—The third-seeded team of Lorne Main of Vancouver and Brendan of Montreal joined other top-rated entries in the semifinals of men's doubles play Wednesday in the Quebec Lawn Tennis Association tournament.

In a day devoted exclusively to doubles matches, the ambidextrous Vancouver youngster and Macken, a member of Canada's Davis Cup team, trimmed Jean Lepine and Robert Turgeon of Quebec, 6-1, 6-2.

BING CROSBY BENEFIT

SPOKANE (AP)—Because the Spokane Athletic Round Table thinks times are tough for Bing Crosby, the funders have dedicated their annual 72-hole Esmeralda Open golf tournament to the songster.

Crosby, a Spokane native, is

"having trouble earning another million dollars," the round tablers decided in announcing the Aug. 19 to 21 tournament will be known as the "Bing Crosby benefit."

"Insist on Libby's and get the extra nourishment"

Libby's are the only makers of baby foods who take the extra precaution of homogenizing as well as straining fruits and vegetables.

Homogenization breaks up coarse fibres at least ten times finer than straining alone can do, and it explodes food cells. Thus the burden of breaking up the cells is lifted from baby's immature digestive juices which can immediately begin assimilating the exposed nourishment.

Clinical tests prove that baby actually gets more nourishment from Libby's Baby Food than from a similar amount of food which is strained but not homogenized.

New York Groups Campaign Against Imports From Britain

NEW YORK (CP)—First of a series of rallies urging a boycott of British goods will be held here tonight.

Importers are being asked by circular letter to stop bringing in British products, with the warning their names may be published so "dealers and consumers who do not desire to purchase British goods and utilize British services may be properly informed."

Some store windows carry posters stating no British goods are being sold.

These are factors in a many-sided campaign protesting British policy in regard to Palestine. Supporters of the drive claim Britain is supporting the Arab states at the expense of the Jews.

Many of the men and women prominent in the movement have Jewish names, but not all.

"There's no doubt the campaign is affecting my business," said one importer, New York agent for a British textile manufacturer.

Tonight's meeting was called by the American Labor Party. Councilman Eugene P. Connolly, secretary of A.L.P.'s New York committee, said seven other meetings are scheduled.

'SONS OF LIBERTY'

Another group prominent in the campaign is the Sons of Liberty committee headed by Johan Smertenko, former professor of English at Hunter College.

"Don't be a party to murder—don't buy British goods" screams a committee broadsheet. "British arms kill Jews. British Spitfires bomb Tel Aviv. British diplomats block United Nations act. British officers command Arab Legion. British generals plotted invasion of Palestine."

Research Director Milton Eisenberg said: "We aren't against the British people. We are trying to apply pressure on British foreign policy so they'll know it pays better to do business with us than with the Arabs."

The committee had made a survey of British imports passing through New York and had sent out 400 to 500 letters to importers asking postponement of purchase of British goods . . . until the British government changes its policy in regard to Palestine."

Reaction to the letters has been "definitely favorable in 85 or 90 per cent of cases," said Eisenberg.

John Gummow, 26, Son Of W.I. Head, Dies At Kelowna

John B. Gummow, 26, only son of Mrs. Stella Gummow, provincial superintendent of Women's Institutes and the late B. F. Gummow, one-time reeve of Peachland, died in Kelowna General Hospital, early this morning, following a sudden seizure at his Peachland home.

Mr. Gummow graduated this year from the University of British Columbia with Bachelor of Arts and Bachelor of Agriculture degrees. He took second-class honors.

Born in Peachland, Mr. Gummow was well known in Victoria, where he spent a year with his uncle and aunt, Mr. and Mrs. Percy B. Scurrah, while attending Victoria College. His summers were spent on his father's fruit farm at Peachland.

During the war he served with the R.C.A.F. holding the rank of flying officer.

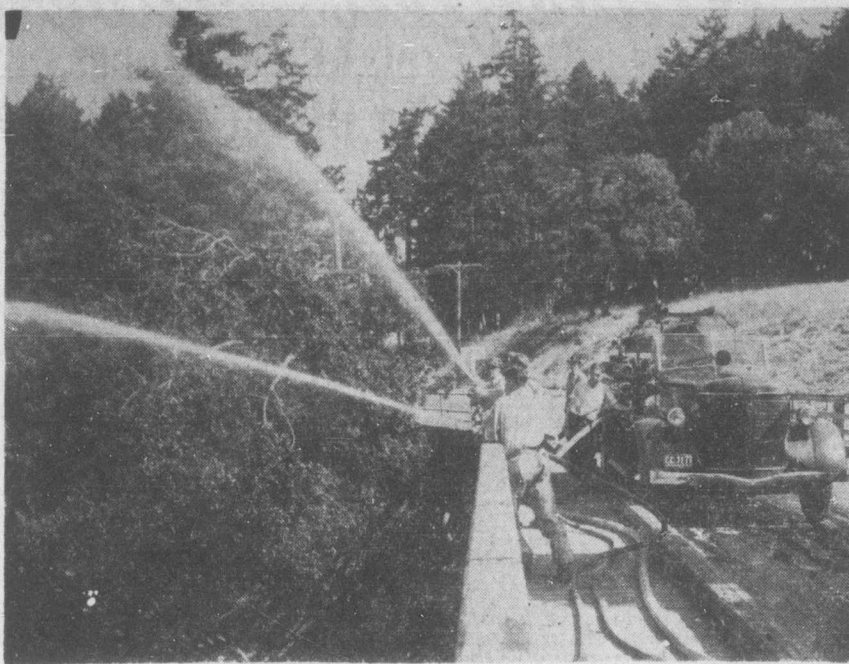

Mrs. Gummow flew to Peachland immediately and Mrs. Scurrah will leave tonight. Mr. Gummow leaves his widow, Antonie, at Peachland; his mother at Victoria, and one sister, Mrs. Denis Kirkpatrick-Crockett, the former Noreen Gummow, of Victoria. Funeral services will be held Friday at Peachland.

Final Offer Made By Ford To Workers

DETROIT (AP)—The Ford Motor Co. offered its 116,000 production workers a "final" 13 cents an hour wage increase Wednesday and the C.I.O.-United Auto Workers rejected it.

Union delegates from 46 Ford plants were called to meet here today and it was expected they would authorize strike action. Ford's offer also included an improved group insurance plan, higher afternoon and night shift pay differentials and improved vacation provisions. The company also proposed extension of the present contract for a year beyond its scheduled expiration July 15, 1949, with one wage reopening by either party during that time.

The U.A.W. accused Ford of breaking off negotiations by refusing to consider a counter-proposal on social security benefits.

ADDITION TO SAANICH FIRE EQUIPMENT—Saanich Fire Department Wednesday at Gorge Bridge tested a high-lift suction booster, latest addition to its fire-fighting equipment. It is built to draw water from the sea, lakes, rivers and deep wells 100 feet to combat fires. Fire Chief Joseph Law said. Old equipment could only lift water from 15 feet. Watching the demonstration were Fire Chief E. G. Claydons of Oak Bay and city Deputy Chief F. W. Briers.

Esquimalt To Open Playgrounds Monday

Summer playground activities for Esquimalt children are scheduled to get under way Monday with sessions planned for J. Halstead's playlot at 1037 Lyall Street and the Esquimalt High School grounds at 641 Head Street.

Sessions will be held at both parks from Monday through Friday from 9 until 4. Bob Kelly will act as playground supervisor for both centres. He will be assisted by Mrs. Peggy Hanbrook and Miss Barbara Floyd.

Tag Day Saturday For War Veterans

The Canadian Pensioners' Association will hold its annual tag day on Saturday.

Work of the association, formed under a federal charter in 1923, consists of looking after disabled men of both wars, their wives and children. The association's service is extended to all veterans, whether members or not, and old-age pensioners.

Since formation locally 21 years ago, more than 1,400 cases have been successfully dealt with. The association's only revenue is from the sale of tags.

Key Issues Lose By Up To Point

NEW YORK (AP)—Key issues in the stock market dropped fractions to around a point Thursday. A hand-picked group of issues in the specialty division managed to hang to modest gains but there was no real push on either side of the market.

Total sales approached the 1,300,000-share mark. Turnover in Curtiss-Wright alone amounted to around 200,000 shares.

In the minus column were U.S. Steel, Youngstown Sheet, General Motors, Goodrich, Sears Roebuck, Douglas Aircraft, American Telephone, American Can, American Tobacco, Texas Gulf Sulphur, Central of N.J., Nickel Plate, Union Pacific and Atlantic Coast Line.

Dow Jones Closing Averages:
30 industrials 187.70, off 2.96
20 rails 63.15, off 1.80
15 utilities 35.67, off 0.23
65 stocks 70.45, off 1.23

Total sales, 1,620,000.

Within Narrow Range

MONTREAL (CP)—Industrials moved irregularly within narrow range in continued trading on the exchange Thursday.

Utilities were quiet and firm. With Power Corporation and Winnipeg Electric fractionally improved. Bell Canada was shaded. Papers were lightly traded. Consolidated Paper went ahead 1/4. Abitibi Ptd. slipped a similar amount.

National Breweries and Canadian Breweries lost 1/4 each as C.P.R. backed down 1/4. Consolidated Hometead gained one cent in oils, but Gaspe was off 10 cents and Imperial Oil 1/4.

Closing Montreal Averages:
20 Industrials 132.50, off 1.20
10 Utilities 76.80, off 0.10
30 combined 114.10, off 0.80
10 pulp, paper 374.90, off 1.97
15 oils 37.15, up 0.17

Total sales, 133,700.

Firm Tone Displayed In Prices

TORONTO (CP)—Prices showed a firmer tone in dull trading on the exchange Thursday. Industrials, base metals and western oils moved quietly for some good gains and golds were steady. Volume was about 516,000 shares.

Utilities and liquors edged upwards on advances ranging up to a point in the industrial groupings. Papers weakened slightly and Massey-Harris, Dominion Steel B.A. Oil and Imperial Oil were easier. Winnipeg Electric continued Wednesday's good gains and touched a new high at 28 1/2. Sick's Breweries, Walker's, Consolidated Gas, Burns B and Consolidated Paper were among the gainers.

Gains doubled losses in the base metals with Sherritt, Waite Amundsen, Golden Manitou, Macdonald and Noranda rising from 2 to 20 cents. Base metals and Consolidated Smelters picked up in mid-session for strong fractional advances. International Uranium, Quebec Labrador and Osisko were easier.

Senior golds were down and juniors made for small gains.

Toronto Closing Index:
20 Industrials 184.90, off 0.71
20 Golds 85.10, up 0.44
10 base metals 100.20, up 0.22
15 western oils 41.35, off 1.57

Total sales, 573,000.
